An Introduction To Scottish Ethnology Alexander Fenton,Margaret A. Mackay,2013-08-06 The publication of *An Introduction to Scottish Ethnology* sees the completion of the fourteen volume *Scottish Life and Society* series originally conceived by the eminent ethnologist Professor Alexander Fenton The series explores the many elements in Scottish history language and culture which have shaped the identity of Scotland and Scots at local regional and national level placing these in an international context Each of the thirteen volumes already published focuses on a particular theme or institution within Scottish society This introduction provides an overview of the discipline of ethnology as it has developed in Scotland and more widely the sources and methods for its study and practical guidance on the means by which it can be examined within its constituent genres based on the experience of those currently working with ethnological materials Theory and practice are presented in an accessible fashion making it an ideal companion for the student the scholar and the interested amateur alike

Voices in the History of Madness Robert Ellis,Sarah Kendal,Steven J. Taylor,2021-05-12 This book presents new perspectives on the multiplicity of voices in the histories of mental ill health In the thirty years since Roy Porter called on historians to lower their gaze so that they might better understand patient doctor roles in the past historians have sought to place the voices of previously silent marginalised and disenfranchised individuals at the heart of their analyses Today the development of service user groups and patient consultations have become an important feature of the debates and planning related to current approaches to prevention care and treatment This edited collection of interdisciplinary chapters offers new and innovative perspectives on mental health and illness in the past and covers a breadth of opinions views and interpretations from patients practitioners policy makers family members and wider communities Its chronology runs from the early modern period to the twenty first century and includes international and transnational analyses from Europe North America Asia and Africa drawing on a range of sources and methodologies including oral histories material culture and the built environment Chapter 4 is available open access under a Creative Commons Attribution 4 0 International License via link.springer.com *Journal of the Historical Society of South Australia* Historical Society of South Australia,2000
