**The Hidden River** Michel A. Marx, 2012-09-25 Real adventures are not always coming out of the make believe book factories Instead the most fascinating and entertaining one are generated by the life The Hidden River is such a story A very young man caught in the infernal maelstrom of the World War two his struggle for survival in an environment of carnage destruction and hopelessness and of his discovery that sometimes challenges in life are the tools that makes us understand that we are more than we think we are His adventures are endless hard to believe but fascinating as they take us to a world few of us can imagine was existing Victories are not always won by cloak and dagger plot Sometime survival itself is the victory and endurance and resourcefulness are needed The war ended By a miraculous set of events he was able to come to the USA then meet Frank Lloyd Wright the famous Architect then go on with a normal life But his mental balance had been shattered and he was in need of healing and directions he went on another adventure the one of self discovery From Frank Lloyd Wright he had glimpsed the world of beauty harmony and creativity Not enough for him for he needed the reassurance that all was not misery and ugliness in the world A fateful meeting with Paramhansa Yogananda the great Yogi gave him the spiritual and mental direction he had been lacking The new adventure of his Recovery is the last part of the book
