The Hamlyn A Z Of Cricket Records:

The Hamlyn A-Z of Cricket Records Peter Wynne-Thomas,1983 British Sport: a Bibliography to 2000 Richard Cox,2013-12-16 Volume one of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport** Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian

Firsts, Lasts & Onlys of Cricket Paul Donnelley,2010-10-04 200 brilliant and bizarre curiosities highlighting the First Last and Onlys that have occurred during the illustrious history of this sport from the determined cricketers fined for playing on the Sabbath to the only virtuoso to score a century and take all ten wickets in a single innings This absorbing collection of stories is guaranteed to enthrall and includes some of the greatest gentleman to have graced the field of play such as The first player to bat on all 5 days of a test match The last incidence of under armed bowling in an international match The only father and son to score centuries in the same First Class innings Delight in a myriad of facts that you never knew about this glorious game **Sport in Britain** Richard William Cox,1991 **Padwick's Bibliography of Cricket** ,1991 **Bodyline Hypocrisy** Michael Arnold,2013-04-19 This fresh analysis of the EnglandBodyline Controversy of 1932 33 uncovers

hypocrisy on both sides of the furore drawing on exclusive interviews with English e villain of the piece and Australian emigre Harold Larwood At the time Australia was a young isolated country where sport was a religion winning essential and the media prone to distortion In England the MCC was pressurised by a British government fearing trade repercussions leaving Harold Larwood and Douglas Jardine to be hung out to dry on a clothes line of political expediency The Bodyline Hypocrisy analyzes the influence of Australian culture on events and on exaggerations and distortions previously accepted as fact It reveals that the MCC granted Honorary Membership to Larwood in 1949 influenced by its Australian president And now even Ian Chappell has stated that Jardine s leg theory tactic was simply playing Test cricket with whatever weapons were available Times change and the truth emerges **History of Sport** Richard William Cox,1994 *Monty Python's*

Flying Circus Darl Larsen,2008-06-13 In 1969 the BBC aired the first episode of a new comedy series titled Monty Python s Flying Circus and the rest as they say is history An instant success the show ran until 1974 producing a total of 45 episodes Despite the show s very English humor and allusions to many things British the series developed a cult following outside the U K particularly in the United States Known for its outrageous humor occasionally controversial content and often silly spirit Monty Python s Flying Circus poked fun at nearly all institutions domestic or foreign grand or intimate sacred or not Indeed many of the allusions and references in the program were uniquely British and routinely obscure and therefore not always understood or even noticed outside the British Isles This exhaustive reference identifies and explains the plethora of cultural

historical and topical allusions of this landmark series In this resource virtually every allusion and reference that appeared in an episode whether stated by a character depicted in the mise en scene or mentioned in the printed scripts is identified and explained Organized chronologically by episode each entry is listed alphabetically indicates what sketch it appeared in and is cross referenced between episodes Entries cover literary and metaphoric allusions symbolisms names peoples and places as well as the myriad social cultural and historical elements photos songs slogans caricatures that populate and inform these episodes Entries Include Arabella Plunkett Group of famous characters from famous paintings Hell s Grannies HRH The Dummy Princess Margaret Kandinsky On the Dad s Liver Bachelors at Large Raymond Baxter type Scun Spanish Inquisition Third Parachute Brigade Amateur Dramatic Society total cashectomy Two Sheds Umbonga s hostile opening Vicar sitting thin and unhappy in a pot What s all this then

A.N. Hornby: The Boss Stuart Brodtkin,2013-05-01 Albert Neilson Hornby 1847 1925 was a sporting legend captaining England and Lancashire at cricket and England at rugby union He was also a useful footballer appearing for Blackburn Rovers and was a keen boxer and hurdler He regularly rode to hounds and was a decent shot He went to Oxford University but lasted only a few weeks preferring scorebooks to text books and neither did he fancy joining his father s lucrative milling business which was based in his home town of Blackburn But academia and the commercial world s losses were very much cricket s gains and the man known as Monkey for his diminutive size as a youngster and his hyper active demeanour carved out one of the most durable careers in the game For five decades he ruled the roost at Lancashire as player captain chairman and president a long service record that will almost certainly never be replicated In his heyday it was said that only the great W G Grace was his superior as a batsman and his captaincy skills were admired by friend and foe alike even by the Australians He was also a brilliant fielder But he will probably be best remembered as the captain who lost to the Australians in the famous Oval Test of 1882 a defeat which gave birth to the Ashes He also went down in cricketing folklore as one of the central figures in Francis Thompson s poem At Lord s As a captain he demanded the utmost loyalty from those who played under him and in return defended his players to the hilt most notably when a number of Lancashire bowlers were accused of throwing He was one of the central figures when a disputed umpiring decision led to the Sydney riot of 1879 and there were other occasions when he was not afraid to wade into a crowd of unruly spectators Had he been alive today Hornby would have been the darling of the tabloids and in his lifetime in and around what was a Golden Age of cricket he was never far away from controversy and confrontation

Encyclopedia of British Football Richard Cox,Dave Russell,Wray Vamplew,2020-07-24 This reference work aims to provide sports enthusiasts journalists librarians students and scholars with an authoritative source of information on a comprehensive range of subjects covering the history and organization of football in Britain Over 250 entries focus on key organisations or individuals famous clubs major competitions events venues and incidents institutions and organisations as well as key issues such as gender racism commercialization professionalism and drugs alcohol and football

British Book News ,1985

British Book News British Council,1983 Includes no 53a British wartime books for young people **The Wisden Book of Cricket Memorabilia** Marcus Williams,Gordon Phillips,1990 British Books in Print ,1985 **Cricket Grounds** Roger D. C. Evans,1991 Covering all aspects of cricket groundsmanship this text sets the maintenance of modern cricket grounds in historical context by a survey of the groundsman s art since the 1600s The work details the history of groundsmanship either side of World War II looking at the modern role of agronomists and other scientists in the study of cricket surfaces Subsequent topics include the assessment of an existing table pitch preparation mechanized maintenance operations fertilizer and top dressing weed moss worm and pest control renovation and repair and care of the outfield A chapter is devoted to the planning and construction of new grounds **International Sport: A Bibliography, 1995-1999** Richard William Cox,2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new **Great Sporting Eccentrics** David Randall,1988 **The First Black Footballer** Phil Vasili,2012-11-12 Arthur Wharton was the world s first black professional footballer and the first African to play professional cricket in Yorkshire and Lancashire leagues Those promoting Empire as an expression of white supremacy found him a supreme irritation and he eventually died in poverty **Whitaker's Cumulative Book List** ,1984
