John Trapp,1867 *Mercy like Morning* Jane Johnson,2018-10-02 If you are as passionate about pursuing God s Word as I am this is a great tool to be inspired by and help you dig deeper Lisa Harper Dig Your Well I could simply share with you the treasures I ve discovered The ones I ve dug out from the depths of God s Word But I d rather give you the treasure map This is a story about reading the Bible and it can be your story too We all know we re supposed to be spending time with God through daily prayer and studying His Word But we don t always know how to make that happen or how to be truly refreshed and changed by the experience Born in a season of waiting this comprehensive guide provides step by step instructions to study Scripture intentionally instead of picking a verse at random turn a trickle of insight into a rushing stream of understanding dig wells of knowledge to store up and draw from in all seasons Get ready to drink in living water Discover how exploring God s Word in fresh full to the brim ways can fill your life to overflowing Because His mercies are new Every single morning *Keys to a Godly Life* Brian A Curtis,2019-03-28 There is a great gulf between the laws given by God to Moses and those in force in society today So how does a believer live in the twenty first century What rules do they apply Christians may claim that many of God s laws were fulfilled with the death and resurrection of Jesus Christ But if a believer truly wants to know who God is what makes him tick and how we are supposed to live then what better way than to study God s rules At their heart God s laws were about two things how to have a healthy relationship with him and how to build up a healthy thriving community As a consequence any search for keys to a godly life would be deficient if it did not include an examination of the rules that God gave Moses together with the insights of Solomon **Commentary on the Old Testament** C. F. Keil,Franz Delitzsch,2014-06-27 For over a century the Keil Delitzsch Commentary on the Old Testament has stood as a monumental and indispensable resource for biblical scholars pastors and serious students of the Bible Authored by two of the nineteenth century s most respected Old Testament scholars Carl Friedrich Keil and Franz Delitzsch this commentary is celebrated for its unparalleled depth rigorous scholarship and reverent approach to the text It meticulously navigates the historical grammatical and theological dimensions of the Old Testament providing profound insights into every book verse by verse This classic work remains a cornerstone of biblical exegesis offering a timeless guide to understanding the richness and complexity of God s Word Sole Reliance Ann Kegley,2015-06-16 We have the Holy Spirit who was sent from heaven to guide us counsel us encourage us and teach us the truth of God so we are enabled to live according to Gods plan for man As we grow in our faith we eventually learn to become less dependent on human support Not that having support from others is not beneficial because it is But there comes a time in the progression of our faith when God will draw us closer to Him In fact inevitably He will wean us from the necessity for external support and transition us toward a dependency on our internal support Him He has a covenant with us and He is committed to the fulfillment of His covenant As John stated because His anointing abides in us we have no need for anyone to teach us because He will We learn to live a life of sole reliance on Him *As for Me and My House* Walter Wangerin,1990 The acclaimed author of The Book of
