Schneider, 2014-05-14 Presents the history of slavery in America from colonial times through the U S Civil War **Slavery and the Making of America** James Oliver Horton, Lois E. Horton, 2005 This companion volume to the four part PBS series on the history of American slavery narrated by Morgan Freeman and scheduled to air in February 2006 illuminates the human side of this inhumane institution presenting it largely through the stories of the slaves themselves Features 120 illustrations *The Essential Guide to Understanding Slave Life in America* Louis Hughes, Stephen Ashley, 2012-11-10 The Essential Guide to Understanding Slave Life in America The institution of human slavery as it existed in this country has long been dead and happily for all the sacred interests which it assailed there is for it no resurrection It may therefore be asked to what purpose is the story which follows of the experiences of one person under that dead and accursed institution To such question if it be asked it may be answered that the narrator presents his story in compliance with the suggestion of friends and in the hope that it may add something of accurate information regarding the character and influence of an institution which for two hundred years dominated the country exercising a potent but baneful influence in the formation of its social civil and industrial structures and which finally plunged it into the most stupendous civil war which the world has ever known As the enlightenment of each generation depends upon the thoughtful study of the history of those that have gone before everything which tends to fullness and accuracy in that history is of value even though it be not
