

Slavery At The Home Of George Washington

Scott E. Casper

Slavery At The Home Of George Washington:

Slavery at the Home of George Washington Philip J. Schwarz, 2009 George Washington inherited his first slave at the age of eleven and he was the only founding father to free his slaves in his will This highly readable selection of articles focuses on Washington's changing attitudes toward the institution of slavery and his everyday relationships with the slaves who shared his Mount Vernon estate Amazon.com

Slavery at the Home of George Washington Philip J. Schwarz, 1997
Slavery at the Home of George Washington Philip J. Schwarz, 2001 George Washington inherited his first slave at the age of eleven and he was the only founding father to free his slaves in his will This highly readable selection of articles focuses on Washington's changing attitudes toward the institution of slavery and his everyday relationships with the slaves who shared his Mount Vernon estate Along with his insightful introduction editor Philip J Schwarz has included James C Rees's essay Looking Back Moving Forward The Changing Interpretation of Slave Life on the Mount Vernon Estate Dennis J Pogue's essay Slave Lifeways at Mount Vernon An Archaeological Perspective and Lorena S Walsh's essay Slavery and Agriculture at Mount Vernon as well as essays by Jean B Lee Mary V Thompson and Edna Greene Medford

Oney Judge: Escape from Slavery and the President's House Duchess Harris, Lindsay Wyskowski, 2018-12-15 President George Washington and his wife enslaved more than 150 people in the mid 1700s In 1796 one of their slaves escaped Her name was Oney Ona Judge Oney Judge Escape from Slavery and the President's House explores her story and her legacy Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO

"The Only Unavoidable Subject of Regret" Mary V. Thompson, 2019 American historians began producing in depth studies of slavery and slave life shortly after World War II but it was not until the early 1980s that the country's museums took the first tentative steps to interpret those same controversial topics Perhaps because of the tremendous amount of primary material related to George Washington almost no one looked into the lives of Mount Vernon's enslaved population Incorporating the results of detailed digging of both the archaeological and archival varieties the number of chapters grew as further questions arose While a few scholars outside Mount Vernon turned their attention to Washington's changing ideas about slavery they largely overlooked the daily lives of those who were enslaved on the estate a subject about which visitors expressed a desire to know more The resulting book makes use of a wide range of sources including letters financial ledgers work reports travel diaries kept by visitors to Mount Vernon the reminiscences of family members former slaves and neighbors reports by archaeologists and surviving artifacts to flesh out the lives of a people who left few written records but made up 90 percent of the estate's population The book begins with a look at George and Martha Washington as slaveowners before turning to various facets of slave life ranging from work to family life housing foodways private enterprise and resistance Along the way readers will see a relationship between Washington's military career and his style of plantation management learn of the many ways slaves rebelled against their condition and get to know many of the enslaved people who made Mount Vernon their home

Slavery at Mount Vernon Janey Levy, 2016-12-15 Mount Vernon George Washington's residence holds a special place in US history and in the hearts of many Americans But its history of slavery has remained largely hidden until recently That's because it's difficult to accept the contradiction of a Founding Father who fought for liberty but engaged in the practice of slavery This thought provoking volume uses the discoveries of archaeologists as well as the writings of Washington himself to shed light on the lives of the slaves who dwelled on this land Readers will especially appreciate the illustrative photographs and enlightening sidebars and fact boxes

Master George's People Marfe Ferguson Delano, 2013 As the first President of the United States of America and the Commander in Chief who led a rebel army to victory in the Revolutionary War George Washington was a legendary leader of men He had high expectations of his soldiers employees and associates At his Virginia plantation Mount Vernon his expectations of his workers were no different I expect such labor as they ought to render he wrote Except there was a big difference The workers who kept Mount Vernon operating were enslaved And although Washington called them my people by law they were his property But the people of Mount Vernon were so much more and they each have compelling stories to tell These are fascinating portraits of cooks overseers valets farm hands and more essential people nearly lost in the shadows of the past interwoven with an extraordinary examination of the conscience of the Father of Our Country

George Washington and Slavery Fritz Hirschfeld, 1997 Because General Washington the universally acknowledged hero of the Revolutionary War in the postwar period uniquely combined the moral authority personal prestige and political power to influence significantly the course and the outcome of the slavery debate his opinions on the subject of slaves and slavery are of crucial importance to understanding how racism succeeded in becoming an integral and official part of the national fabric during its formative stages

An Imperfect God Henry Wiencek, 2003-11-15 When George Washington wrote his will he made the startling decision to set his slaves free earlier he had said that holding slaves was his only unavoidable subject of regret In this groundbreaking new biography based on private papers court records and the voluminous Washington archives National Book Critics Circle winning historian Henry Wiencek explores the founding father's engagement with slavery at every stage of his life as a planter soldier politician president and statesman

Slavery and the Enlightenment in the British Atlantic, 1750-1807 Justin Roberts, 2013-07-08 Clock work time quantification amelioration and the enlightenment Sunup to sundown agricultural diversity and seasonal patterns of work Lockstep and line gang work and the division of labor Negotiating sickness health work and seasonality Labor and industry skilled and unskilled work Working lives occupations and families in the slave community

Slavery in the Age of Memory Ana Lucia Araujo, 2020-10-15 Exploring notions of history collective memory cultural memory public memory official memory and public history *Slavery in the Age of Memory Engaging the Past* explains how ordinary citizens social groups governments and institutions engage with the past of slavery and the Atlantic slave trade It illuminates how and why over the last five decades the debates about slavery have become so relevant in the societies where slavery existed and which

participated in the Atlantic slave trade The book draws on a variety of case studies to investigate its central questions How have social actors and groups in Europe Africa and the Americas engaged with the slave past of their societies Are there any relations between the demands to rename streets of Liverpool in England and the protests to take down Confederate monuments in the United States How have black and white social actors and scholars influenced the ways slavery is represented in George Washington s Mount Vernon and Thomas Jefferson s Monticello in the United States How do slave cemeteries in Brazil and the United States and the walls of names of Whitney Plantation speak to other initiatives honoring enslaved people in England and South Africa What shared problems and goals have led to the creation of the International Slavery Museum in Liverpool and the National Museum of African American History and Culture in Washington DC Why have artists used their works to confront the debates about slavery and its legacies The important debates addressed in this book resonate in the present day Arguing that memory of slavery is racialized and gendered the book shows that more than just attempts to come to terms with the past debates about slavery are associated with the persistent racial inequalities racism and white supremacy which still shape societies where slavery existed Slavery in the Age of Memory Engaging the Past is thus a vital resource for students and scholars of the Atlantic world the history of slavery and public history Washington at the Plow Bruce A. Ragsdale,2021-10-12 A fresh original look at George Washington as an innovative land manager whose singular passion for farming would unexpectedly lead him to reject slavery George Washington spent more of his working life farming than he did at war or in political office For over forty years he devoted himself to the improvement of agriculture which he saw as the means by which the American people would attain the respectability importance which we ought to hold in the world Washington at the Plow depicts the first farmer of America as a leading practitioner of the New Husbandry a transatlantic movement that spearheaded advancements in crop rotation A tireless experimentalist Washington pulled up his tobacco and switched to wheat production leading the way for the rest of the country He filled his library with the latest agricultural treatises and pioneered land management techniques that he hoped would guide small farmers strengthen agrarian society and ensure the prosperity of the nation Slavery was a key part of Washington s pursuits He saw enslaved field workers and artisans as means of agricultural development and tried repeatedly to adapt slave labor to new kinds of farming To this end he devised an original and exacting system of slave supervision But Washington eventually found that forced labor could not achieve the productivity he desired His inability to reconcile ideals of scientific farming and rural order with race based slavery led him to reconsider the traditional foundations of the Virginia plantation As Bruce Ragsdale shows it was the inefficacy of chattel slavery as much as moral revulsion at the practice that informed Washington s famous decision to free his slaves after his death **Slavery at Mount Vernon** Janey Levy,2016-12-15 Mount Vernon George Washington s residence holds a special place in US history and in the hearts of many Americans But its history of slavery has remained largely hidden until recently That s because it s difficult to accept the contradiction of a Founding Father who

fought for liberty but engaged in the practice of slavery This thought provoking volume uses the discoveries of archaeologists as well as the writings of Washington himself to shed light on the lives of the slaves who dwelled on this land Readers will especially appreciate the illustrative photographs and enlightening sidebars and fact boxes **Sarah Johnson's Mount**

Vernon Scott E. Casper, 2008 New Stories from an Old American Shrine The home of our first president has come to symbolize the ideals of our nation freedom for all national solidarity and universal democracy Mount Vernon is a place where the memories of George Washington and the era of America's birth are carefully preserved and re-created for the nearly one million tourists who visit it every year But behind the familiar stories lies a history that visitors never hear Sarah Johnson's Mount Vernon recounts the experience of the hundreds of African Americans who are forgotten in Mount Vernon's narrative Historian and archival sleuth Scott E Casper recovers the remarkable history of former slave Sarah Johnson who spent more than fifty years at Mount Vernon before and after emancipation Through her life and the lives of her family and friends Casper provides an intimate picture of Mount Vernon's operation during the nineteenth and early twentieth centuries years that are rarely part of its story Working for the Washington heirs and then the Mount Vernon Ladies Association these African Americans played an essential part in creating the legacy of Mount Vernon as an American shrine Their lives and contributions have long been lost to history and erased from memory Casper restores them both and in so doing adds a new layer of significance to America's most popular historical estate **The Widow Washington**

Martha Saxton, 2019-06-11 An insightful biography of Mary Ball Washington the mother of our nation's father The Widow Washington is the first life of Mary Ball Washington George Washington's mother based on archival sources Her son's biographers have for the most part painted her as self-centered and crude a trial and an obstacle to her oldest child But the records tell a very different story Mary Ball the daughter of a wealthy planter and a formerly indentured servant was orphaned young and grew up working hard practicing frugality and piety Stepping into Virginia's upper class she married an older man the planter Augustine Washington with whom she had five children before his death eleven years later As a widow deprived of most of her late husband's properties Mary struggled to raise her children but managed to secure them places among Virginia's elite In her later years she and her wealthy son George had a contentious relationship often disagreeing over money with George dismissing as imaginary her fears of poverty and helplessness Yet Mary Ball Washington had a greater impact on George than mothers of that time and place usually had on their sons George did not have the wealth or freedom to enjoy the indulged adolescence typical of young men among the planter class Mary's demanding mothering imbued him with many of the moral and religious principles by which he lived The two were strikingly similar though the commanding demeanor persistence athleticism penny pinching and irascibility that they shared have served the memory of the country's father immeasurably better than that of his mother Martha Saxton's The Widow Washington is a necessary and deeply insightful corrective telling the story of Mary's long arduous life on its own terms and not treating her as her son's satellite Buried

Lives Carla Killough McClafferty, 2018-12-18 The untold story of the enslaved people of Mount Vernon and the illuminating history that is still being discovered in George Washington's historic home today When he was eleven years old George Washington inherited ten human beings His own life has been well chronicled but the lives of the people he owned the people who supported his plantation and were buried in unmarked graves there have not Using fascinating primary source material and photographs of historical artifacts Carla McClafferty sheds light on the lives of several people George Washington owned the property laws of the day that complicated his decision to free them and the Cemetery Survey an archeological dig that is shaping our understanding of Mount Vernon's Slave Cemetery Poignant and thought provoking Buried Lives blends the past with the present in a forward looking account of a haunting piece of American history Includes a foreword by Zsuzsanna Matema a descendant one of the enslaved people at Mount Vernon who is highlighted in this book backmatter outlining the author's sources and an index A Junior Library Guild selection A Bank Street Best Children's Book of the Year In the Name of the Father Francois Furstenberg, 2007-04-24 In this revelatory and genuinely groundbreaking study Francois Furstenberg sheds new light on the genesis of American identity Immersing us in the publishing culture of the early nineteenth century he shows us how the words of George Washington and others of his generation became America's sacred scripture and provided the foundation for a new civic culture one whose reconciliation with slavery unleashed consequences that haunt us still A dazzling work of scholarship from a brilliant young historian In the Name of the Father is a major contribution to American social history **Landscape of Slavery** Angela D. Mack, Stephen G. Hoffius, 2008 Through eighty nine color plates and six thematic essays this collection examines depictions of plantations plantation views and related slave imagery in the context of the history of landscape painting in America while addressing the impact of these images on US race relations **Ties That Bound** Marie Jenkins Schwartz, 2017-04-06 Behind every great man stands a great woman And behind that great woman stands a slave Or so it was in the households of the Founding Fathers from Virginia where slaves worked and suffered throughout the domestic environments of the era from Mount Vernon Monticello and Montpelier to the nation's capital American icons like Martha Washington Martha Jefferson and Dolley Madison were all slaveholders And as Marie Jenkins Schwartz uncovers in Ties That Bound these women as the day to day managers of their households dealt with the realities of a slaveholding culture directly and continually even in the most intimate of spaces Unlike other histories that treat the stories of the First Ladies slaves as separate from the lives of their mistresses Ties That Bound closely examines the relationships that developed between the First Ladies and their slaves For elite women and their families slaves were more than an agricultural workforce slavery was an entire domestic way of life that reflected and reinforced their status In many cases slaves were more constant companions to the white women of the household than were their husbands and sons who often traveled or were at war By looking closely at the complicated intimacy these women shared Schwartz is able to reveal how they negotiated their roles illuminating much about the lives of slaves themselves as well as class race and gender in

early America By detailing the prevalence and prominence of slaves in the daily lives of women who helped shape the country Schwartz makes it clear that it is impossible to honestly tell the stories of these women while ignoring their slaves She asks us to consider anew the embedded power of slavery in the very earliest conception of American politics society and everyday domestic routines

George Washington's Virginia John R. Maass, 2017 George Washington was first and foremost a Virginian Born in the state's Tidewater region he was reared near Fredericksburg and took up residence at Mount Vernon along the Potomac River As a young surveyor he worked in Virginia's backcountry He began his military career as a Virginia militia officer on the colony's frontier The majority of his widespread landholdings were in his native state and his entrepreneurial endeavors ranged from the swamplands of the Southeast to the upper Potomac River Valley Historian John Maass explores the numerous sites all over the Commonwealth associated with Washington and demonstrates their lasting importance

Enjoying the Track of Term: An Mental Symphony within **Slavery At The Home Of George Washington**

In some sort of taken by screens and the ceaseless chatter of instantaneous conversation, the melodic elegance and mental symphony developed by the written word frequently fade into the back ground, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Slavery At The Home Of George Washington** a wonderful fictional prize filled with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this charming masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed melodies and profound impact resonating within each cautiously constructed phrase. Within the depths of this touching review, we shall investigate the book is key harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Slavery At The Home Of George Washington Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slavery At The Home Of George Washington has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slavery At The Home Of George Washington has opened up a world of possibilities. Downloading Slavery At The Home Of George Washington provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slavery At The Home Of George Washington has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slavery At The Home Of George Washington. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slavery At The Home Of George Washington. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slavery At The Home Of George

Washington, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slavery At The Home Of George Washington has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Slavery At The Home Of George Washington Books
