Skin Chairs:

The Skin Chairs Barbara Comyns, 1987 When her father dies ten year old Frances her mother and assorted siblings are taken under the wing of their horsey relations led by bullying Aunt Lawrence The Skin Chairs Barbara Irene Veronica Comyns Carr, 1962 Barbara Comyns Avril Horner, 2024-03-19 The extraordinary twentieth century writer Barbara Comyns led a life as captivating as the narratives she spun This pioneering biography reveals the journey of a woman who experienced hardship and single motherhood before the age of thirty but went on to publish a sequence of novels that are unique in the English language Comyns turned her hand to many jobs in order to survive from artist s model to restoring pianos Hundreds of unpublished letters reveal an occasionally desperate but resourceful and witty woman whose complicated life ranged from enduring poverty when young to mixing with spivs spies and high society While working as a housekeeper in her mid thirties Comyns began transforming the bleak episodes of her life into compelling fictions streaked with surrealism and deadpan humour The Vet s Daughter 1959 championed by Graham Greene brought her fame although her use of the gothic and macabre divided readers and reviewers This biography not only excavates Comyns s life but also reclaims her fiction providing a timely reassessment of her literary contribution It sheds new light on a remarkable author who deftly captured the complexities of human life **Illustrated Mission Furniture Catalog, 1912-13** Come-Packt Furniture Co., 2014-02-03 Reprint of actual home furnishings catalog from the height of the popularity of Mission design illustrating and describing 400 items many designed to be shipped knocked down for reassembly at home **Spons' Mechanics' Own Book** Edward Spon, Francis N. Spon, 1886 *Spons' Mechanics' Own Book* , 1889 *The Sketch* , 1908

WHY DID YOU COME IF YOU LEAVE AGAIN? Dr. Conradin Perner, 2025-01-24 One of the rare occasions where an ethnographer bares himself to reveal how he came to learn about and understand the people he studied Since an ethnographer is the only person to witness on a people and their culture the author writes about his findings on the Anyuak civilization and culture from the perspective of a novice learner He prefaces the reader about his own background and writes about the person behind the observations One of the readers of the manuscript described this as a delightful effort to humanize the rigor of academic analysis of indigenous populations so the author could share with others the remarkable experiences that led to his fascination with the Anyuak people The memoir is both a document of past times of nature and people a moving description of life in the wilderness and a people s fight for human dignity The book differs from other travel autobiographies in its poetic clear and suggestive language that allows readers to participate in the discovery of a foreign culture and to become a friend to hitherto unknown people It opens philosophical and spiritual dimensions and reflects on the humanity of the Anyuak the author and the attentive reader **Admonitions on Governing the People** Yagyong Chong, 2010-08-15 This is the first English translation of one of Korea s most celebrated historical works a pre modern classic so well known to Koreans that it has inspired contemporary literature and television Written in 1821 by Chong Yagyong

Tasan Admonitions on Governing the People Mongmin simso is a detailed manual for district magistrates on how to govern better In encyclopedic fashion Chong Yagyong addresses the administration social and economic life criminal justice the military and the Confucian ritual system He provides examples of past corrupt officials and discusses topics of the day such as famine relief and social welfare A general call for overhauling the Korean ruling system the book also makes the radical proposition that the purpose of government is to serve the interests of the people This long awaited translation opens a new window on early nineteenth century Korea and makes available to a wide audience a work whose main concerns simultaneously transcend national and cultural boundaries
