backstage after one of Scriabin's concerts and fell on his knees crying 'It's genius it's genius' After the composer's death in 1915 however his music steadily lost the captivating appeal it once held The main reason for this drastic change in the listener's attitude is an enormous gap existing between the printed scores of Scriabin's music and the way the composer himself played his works Apparently what Scriabin's audiences heard at the time was significantly different from and vastly superior to modern performances that are based primarily on published scores Scriabin recorded nineteen of his compositions on the Hupfeld and Welte Mignon reproducing pianos in 1908 and 1910 respectively Full score transcriptions of the piano rolls which are included in the book provide many substantial features of Scriabin's performance exact pitches and their timing against each other rhythms tempo fluctuations articulation dynamics and essential pedal application Using these transcriptions and other historical documents as the groundwork for his research Anatole Leikin explores Scriabin's performing style within the broader context of Romantic performance practice Grove's Dictionary of Music and Musicians George Grove, 1927 New York Magazine, 1987-01-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Music and Musicians** Evan Senior, 1977 **Analyses of Nineteenth- and Twentieth-Century Music, 1940-2000** D.
