

SLAM THE BIG DOOR

JOHN D. MACDONALD

Slam the Big Door, John D. MacDonald's favorite among his own books, is now published for the first time in hardcover. The author has written a new introduction especially for this edition.

Recently widowed Mike Boudewick travels to an isolated key off the Gulf Coast of Florida at the invitation of an old war buddy, Troy Larsson. Troy has lost his job in a New York advertising agency because of chronic alcoholism and a nervous breakdown brought about by career pressure. Troy is attempting to pull the strings of his life back together; he has married a wealthy widow and is using her cash to develop an exclusive residential area on Kiley Key.

But Troy is in trouble again. Not only has his new marriage soured, but the housing development has taken a financial dive. Mike wonders if he can summon the ingenuity to bail his old friend out again.

Shortly, all hell will break loose in this country club community. Aside from the money Troy has created in his own life, he has violated one of mankind's oldest taboos—and this is the sort of transgression that can lead only to violent death....
