Dungeon Module A1

SLAVE PITS
OF THE UNDERCITY

by David Cook

AN ADVENTURE FOR CHARACTER LEVELS 4-7

This time to put a stop to the massacres! For years the coastal towns have been burned and looted by the forces of evil. You and your fellow adventurers have been recruited to root out and destroy the source of these raids. But beware...hundreds of good men and women have been taken by the slavers and have never been seen or heard from again!

This module was originally used for the annual ADVANCED DUNGEONS & DRAGONS Tournament at GenCon '88 and is the first of four in a series of related tournament modules from TSR.

This module contains a challenging scenario, the tournament scoring system and nine pre-made, plot-tested tournament adventures. Also included are large-scale reference maps, tables and background information. All in all, a great adventure to play, but it is also a challenge for all players of the Slavers' Stockpiles. As a bonus, in the form of the Slave Lords, and all the dangers of the Slave Lords, be sure to look for other exciting adventure modules from the three worlds of TSR.
