The Power of Soft Hilary Gallo, 2016-01-28 In The Power of Soft Hilary Gallo Reveals a more effective way to get what you want both in and out of the board room Hilary spent years negotiating multi million pound deals as a lawyer and began to notice that tough bullying behaviour rarely got him or his clients the outcomes they were looking for Over the years he began to develop a new way of approaching negotiations the power of soft and soon found his work and home life getting richer In life and in business we often mask our inner vulnerability by adopting a hard unwavering and ultimately ineffective approach Instead Gallo proves that our true power stems from drawing strength from our mental core and balancing that inner strength with a softer more approachable front He teaches us to see reality more clearly by looking past our judgments and preconceptions and to focus our energy on what we actually need to achieve What started as a negotiation tactic soon became a philosophy

for life Whether closing a business deal or trying to get your kids to bed *The Power of Soft* is an elegant holistic and most of all effective method to get what you need and still be kind *The Evidence-Based Practitioner Coach* Lloyd

Chapman,2023-05-05 *The Evidence Based Practitioner Coach* gives a descriptive phenomenological understanding of human development through the lens of the Integrated Experiential Learning Process and how it can be applied in coaching Aimed at coaches who would like to ground their experience in an evidence based practitioner model it synthesises evidence and theory from a range of disciplines exploring how we learn through a complex process involving brain body and social relationships and facilitated consciously and unconsciously through the central and autonomic nervous systems It applies this understanding to a range of settings contexts and environments The book notably combines the fascinating knowledge produced by cutting edge research with useful practical methodologies developed by some of the wisest observers of humanity Its sheer readability in an engagingly down to earth and warmly human way helps make the contents readily accessible to coach practitioners and others from non academic backgrounds Rigorous and erudite this book would be suitable for business coaches corporate executives senior managers and human resource specialists and provides an invaluable contribution to what it means to be a scientist practitioner within the evolving profession of coaching [Fit Kids](#)
