Small Ship Big Sea:

Little Ship, Big War Edward P Stafford, 2012-04-15 Manned almost entirely by reservists the USS Abercrombie DE343 and her sister ships did the dirty work of the Pacific War They escorted convoys chased submarines picked up downed pilots and led the landing craft to the invasion beaches yet they received little credit and less glory This book is a stirring tribute to their heroic efforts written by a naval officer who served in the Abercrombie during the war and later became a best selling author First published in 1984 it has long been acclaimed for presenting a view of the navy as the sailors actually saw it the joys and pains the humor and gravity the successes and defeats Ed Stafford provides an authentic day by day account of life on board DE343 from the Battle of Leyte Gulf and picket duty against kamikazes at Okinawa to the signing of the peace treaty in Tokyo Harbor To create an accurate picture he consulted ship logs and after action reports and interviewed members of the crew Although the book focuses on events in a particular warship it tells the story of every small ship and their valiant crews that rose to the challenge and fought with everything they had until the war was won Little Ship, Big Story Rodney Pell, 2019-02-05 Emerging like a butterfly from its chrysalis a remarkable little ship the Sheemaun springs from her designer's drawing board to sail through eight decades of history gathering in her wake a unique collection of admirers including former owners former crews and those who served courageously on her during WW2 Their stories are revealed here tales of bravery and daring accounts of bombs mines depth charging and death stories of espionage and smuggling and memorable chronicles of Royal occasions cruising maritime festivals and much else This fascinating deeply engrossing true story takes the reader into the heart and soul of the Sheemaun and of all those who have loved her **My Sea Lady** Graeme Ogden, 2014-05-01 A remarkable wartime memoir unusually personal and frank chronicling the bleak and arduous journeys onboard an anti submarine trawler in the Arctic ocean during World War II Graeme Ogden's memoir is the story of HMS Lady Madeleine an ocean going trawler converted to an anti submarine role as part of the convoys to supply the Soviet Union as it faced the savage onslaught of the German army This was a voyage fraught with storms icebergs and sub zero temperatures in peacetime alone but now the convoys faced worse the fearsome gauntlet of German aircraft submarines and surface raiders strung out along the coast of Norway waiting to meet them Ogden commanded the vessel in question keeping diaries of his harrowing experiences of those years which also cover his time on the equally perilous Atlantic convoys These accounts were rediscovered and published as a memoir in the 1960s illustrated with exquisite line drawings by Richard Elsdon who also sailed on these voyages This is a very different kind of war memoir vivid and bittersweet in which the human elements take centerstage against the backdrop of great events *Small Boats and Big Seas* Ralph Stephenson, 1978 **The Path of the Wealth God** Guo Xiaochang, If there is any immortal in our cultural tradition who has been sincerely loved by the masses from ancient times to the present it must be the God of Wealth Therefore the top ranking auspicious saying during the Spring Festival is definitely May you be prosperous The beautiful aspiration for wealth has been written into the genes of

our nation Based on this simple and healthy national sentiment our ancestors actively and optimistically created an immortal in charge of wealth the God of Wealth The God of Wealth governs fortune and presides over wealth and prosperity It is a benevolent god widely worshiped by the people and has always been highly respected and venerated The origin of the God of Wealth is rather complicated and there are various opinions because there is not just one God of Wealth but a group and each one has a different origin Among the numerous Gods of Wealth Fan Li Bi Gan Guan Yu and Zhao Gongming are the most popular and enjoy the most incense offerings Most of the Gods of Wealth worshiped in temples across the country are these four figures so they are the most famous and have the widest influence This book in the form of brief biographies clarifies for readers the life stories of the prototype figures of the Gods of Wealth as well as the origin and development of the God of Wealth culture It interprets the traditional cultural themes that we love to talk about from a historical perspective and guides readers to draw more spiritual sources of auspiciousness optimism and ceaseless struggle from the outstanding traditional culture of our nation

My Life Mbaye Lo, Carl W. Ernst, 2023-08-10 Omar ibn Said 1770 1863 was a Muslim scholar from West Africa who spent more than fifty years enslaved in the North Carolina household of James Owen brother of Governor John Owen In 1831 Omar composed a brief autobiography the only known narrative written in Arabic by an enslaved person in North America and he became famous for his Arabic writings His enslavers also provided him with an Arabic Bible and claimed Omar as a convert to Christianity prompting wonder and speculation among amateur scholars of Islam white slave owners and missionaries But these self proclaimed experts were unable or unwilling to understand Omar s writings and his voice was suppressed for two centuries Mbaye Lo and Carl W Ernst here weave fresh and accurate translations of Omar s eighteen surviving writings for the first time identifying his quotations from Islamic theological texts correcting many distortions and providing the fullest possible account of his life and significance Placing Omar at the center of a broader network of the era s literary and religious thought Lo and Ernst restore Omar s voice his sophisticated engagement with Islamic and Christian theologies his Arabic skills and his extraordinary efforts to express himself and exert agency despite his enslavement

Sea, Land and Air, 1920 **God Carlos** Anthony C. Winkler, 2019-03-01 This tragicomic novel set in sixteenth century Jamaica is a gusty boisterous and entertaining slice of historical fiction Alan Cheuse NPR All Things Considered Winner of the 2014 Townsend Prize for Fiction A fortune seeking band of ragtag sailors travel aboard the Santa Inez a Spanish vessel bound for the newly discovered West Indies She is an unusual explorer for her day carrying no provisions for the settlers and no seed for planting crops and manned by vain arrogant men looking for gold in Jamaica The crew expects to make landfall in paradise after over a month at sea Meanwhile the timid innocent Arawaks who walk around stark naked without embarrassment and who venerate their own customs and worship their own gods think these newcomers must have come from heaven The ensuing entanglement of culture custom and beliefs makes for a comic tragic bawdy sad and provocative novel Library Journal Darkly irreverent With a sharp tongue Winkler a native of Jamaica deftly imbues this blackly funny satire with an exposé of colonialism's avarice and futility Publishers Weekly Well written Winkler's descriptions of sea and sky as seen from a sailing ship and of the physical beauty of Jamaica are spot on and breathtaking Historical Novel Review A thoroughly engaging adventure story from a renowned Jamaican author sure to enchant readers who treasure a fabulous tale exquisitely rendered Library Journal Every country if she's lucky gets the Mark Twain she deserves and Winkler is ours Marlon James author of *Black Leopard Red Wolf*
