Not Light, but Fire Matthew Kay, 2023-10-10 Do you feel prepared to initiate and facilitate meaningful productive dialogues about race in your classroom Are you looking for practical strategies to engage with your students Inspired by Frederick Douglass's abolitionist call to action it is not light that is needed but fire Matthew Kay has spent his career learning how to lead students through the most difficult race conversations Kay not only makes the case that high school classrooms are one of the best places to have those conversations but he also offers a method for getting them right providing candid guidance on How to recognize the difference between meaningful and inconsequential race conversations How to build conversational safe spaces not merely declare them How to infuse race conversations with urgency and purpose how to thrive in the face of unexpected challenges How administrators might equip teachers to thoughtfully engage in these conversations With the right blend of reflection and humility Kay asserts teachers can make school one of the best venues for young people to discuss race

Paying for College 2021 The Princeton Review, Kalman Chany, Geoff Martz, 2020 Includes FAFSA instructions and COVID 19 updates Cover *Shadow Education and Social Inequalities in Japan* Steve R.

Entrich,2017-12-07 This book examines why Japan has one of the highest enrolment rates in cram schools and private tutoring worldwide It sheds light on the causes of this high dependence on shadow education and its implications for social inequalities The book provides a deep and extensive understanding of the role of this kind of education in Japan It shows new ways to theoretically and empirically address this issue and offers a comprehensive perspective on the impact of shadow education on social inequality formation that is based on reliable and convincing empirical analyses Contrary to earlier studies the book shows that shadow education does not inevitably result in increasing or persisting inequalities but also inherits the potential to let students overcome their status specific disadvantages and contributes to more opportunities in education Against the background of the continuous expansion and the convergence of shadow education systems across the globe the findings of this book call for similar works in other national contexts particularly Western societies without traditional large scale shadow education markets The book emphasizes the importance and urgency to deal with the modern excesses of educational expansion and education as an institution in which the shadow education industry has made itself seemingly indispensable
