prowl or issuing plaintive love calls to an amorous wild turkey gobbler the author's fascination with outdoor recreation never diminishes And as the reader quickly finds this fascination is contagious Along with the lightheartedness and rich humor in these pages there is an unmistakable love of the land and a deep concern for the endangered bond between nature and humankind Like the trout in the stream or the deer in the forest Venable suggests we are as much a product of the land as any living creature And what affects one for better or worse ultimately affects all
