Big Island Journey Sophia V. Schweitzer,Bennett Hymer,2009 The Big Island was the first of the Hawaiian Islands to be settled by early Polynesians It was from the Big Island that Kamehameha proceeded to create a kingdom of Hawaii It was on the Big Island where Captain Cook was killed and where the kapu system was overthrown The Big Island was the creadle of Hawaii s paniolo culture where coffee was first cultivated and where hula began its modern revival through the Merrie Monarch Festival It is the only island with active volcanoes and the island most devastated by

natural disasters In the late eighteenth and early nineteenth centuries explorers traders adventurers and missionaries arrive along with Western diseases that devastate the original inhabitants of the land In the mid to late nineteenth century sugar becomes king and thousands of immigrant workers arrive whose future generations will lead to a multi ethnic society In the first half of the twentieth century a tourist industry develops around Kilauea s eruptions Sugar workers strike Marines train in Waimea and earthquakes and tsunamis destroy coastal towns In the second half of the twentieth century the tourist industry becomes resort oriented the Hawaiian Renaissance evolves into the sovereignty movement and astronomy and science become a significant part of the island s economic future The Big Island is not only rich in history but in visual imagery recording its past maintained in public private and family archives From these collections over 400 photographs and illustrations have been selected to narrate the Island s story and enable us to time travel through the island s exciting past filled with colorful personages dramatic events and sweeping economic cultural and social change

Hawaii the Big Island Revealed Andrew Doughty, 2005-12 Cond Nast Traveller calls it the best guidebook to the Big Island This fourth edition unlocks the secrets of an island so big and diverse that many visitors never realize all that it has to offer all told in a frank humorous way by an author who lives there and knows the island *Your Ideal Hawaii Island Vacation* Tyler Mercier, Chris Mercier, 2014-03-06 Your Ideal Hawaii Island Vacation is a travel guide that describes over 150 spectacular locations on the island of Hawaii Over 200 photographs black and white accompanied by descriptions give you an impression of the island s unique places Detailed driving directions make it clear how to get to each site Every site is accessible by a regular car and most are only a short walk or can be seen from the car The travel guide covers the entire island of Hawaii with maps of each area Many areas in East Hawaii barely mentioned in other guides are covered in great detail from the authors personal experiences of living there Guided driving tours and walking tours familiarizes travelers new to the island with the most populated areas of Hilo and Kona Descriptions of beaches and shopping centers near the South Kohala resorts and Kona hotels are provided for newcomers to the island The guide describes places in the remote areas of Kau North Kohala and Puna that returning visitors and residents may not have heard of before The guide showcases incredible beaches where Hawaiian royalty lived coastlines where historic battles were fought ancient temples ranches where the Hawaiian cowboy culture was born and historic towns built during Hawaii s sugar boom Stories are told from early visitors such as William Ellis who walked around the island in 1823 and Lucy Thurston who lived in Kailua Kona in the 1820 s The historical and cultural settings of each site is organized with descriptions to appeal to both seasoned and armchair travelers The guide also showcases what is happening now at Kona coffee plantations macadamia nut factories and cattle ranches The guide includes places near the resort complexes unique island businesses and recent lava flows In the chapter on Driving Hawaii Island tables with realistic driving times between major sites are included The driving times take into account areas of low speed limits and traffic congestion Information about Saddle Road and driving to the Onizuka Astronomy Center on Mauna

Mauna Kea are included. The guide has no ratings of hotels, restaurants, or tour companies. The authors believe that the most up-to-date customer reviews of restaurants and resorts are on the internet. The authors, Tyler and Chris Mercier, have lived on Hawaii Island since 2007. They lived in Hilo for two years before moving to the west side of the island near Kona. The authors researched each site using original materials from early explorers and Hawaiian historians to provide the most accurate view of what happened. They visited every site in the book and took thousands of photographs to document every location. The authors created regional maps and tour maps to allow visitors to plan their trips each day and select the sites they want to see. The authors hope that the guide shows the immensity and variety of Hawaii Island to every visitor and encourages them to return.

Explorer's Guide Hawaii's Big Island: A Great Destination Elizabeth Blish Hughes, 2008-12-01. A complete guide to this increasingly popular Hawaiian paradise known for its simmering volcanoes, sugary beaches, and exotic landscape.
