The Big Store:

Cohen Brothers Ennis Davis, Sarah Gojekian, 2012-10-16 Once known as the Wanamaker of the South Cohen Brothers department store captured the hearts of thousands of Jacksonville residents Metro Jacksonville writers Ennis Davis and Sarah Gojekian take a wonderful trip through the store from its beginnings as a dry goods enterprise in a small log cabin to its growth into a trend setting retail institution and the final poignant closing of its doors Davis and Gojekian brilliantly combine interviews with former employees stories from the vibrant atmosphere the store created and memories from longtime residents to bring readers back to the bright glow and elegance of one of the South's most distinctive enterprises

The Big Store Donald R. Katz, 1987 The epic story of how a quintessential American business came back from the brink of ruin and transformed itself into the corporation of the future Black and white photographs **The Big Store** Donald R.

Katz, 1988 In 1972 Sears Roebuck Co was the quintessential American success story It accounted for over one percent of the gross national product Suddenly it found itself in a downward spiral Award winning journalist Donald Katz was given unrestricted access to Sears's records and executives to write this revealing account of the downfall and resurrection of an American icon *Open Shop Review*, 1919 To Prevent Discrimination in Prices and to Provide for Publicity of Prices to Dealers and the Public United States. The Shops of Britain Hermann Levy, 2013-10-15 First Published in 1998 This is Volume XV of the eighteen in the Sociology of Work and Organization series and this book on The Shops of Britain follows the author's publication on Retail Trade Associations a new form of monopolist organization in Britain After the book had been completed the Report of the Census of Distribution Committee published in March 1946 urged the necessity of providing more statistical information about the distributive trades One of the purposes of this book is to display how complex the structure of retailing is and to show that it is dependent on a great variety of economic social occupational and sociological factors which cannot be adequately assessed without a comparative analysis of all the various trades concerned with retailing *National Jeweler*, 1928 **Beyond the**

Hills That Beckon Ray Long, 2010-12-22 Various folk who enjoyed reading The Hills That Beckon questioned the author When are you going to write a sequel After much consideration Mr Long decided to comply with their requests His first narrative was confined to the Poosey Ridge area of Madison County Kentucky The sequel goes beyond the borders written about in the first book and includes other areas hence the title Beyond The Hills That Beckon This writing differs by focusing on other families and events in the region rather than only the author's family The reader will be reintroduced to the Poosey Ridge location from a perspective not addressed in The Hills That Beckon **"The Urban Department Store in America, 1850?930 "**

Louisa Iarocci, 2017-07-05 In the late nineteenth century the urban department store arose as a built artifact and as a social institution in the United States While the physical building type is the foundation of this comprehensive architectural study Louisa Iarocci reaches beyond the analysis of the bricks and mortar to reconsider how the spaces of

selling were culturally produced spaces as well as the product of interrelated economic social technological and aesthetic forces The agenda of the book is three fold to address the lack of a comprehensive architectural study of the nineteenth century department store in the United States to expand the analysis of the commercial city as a built and represented entity and to continue recent scholarly efforts that seek to understand commercial space as a historically specific and a conceptually perceived construct The Urban Department Store in America 1850 1930 acts as a corrective to a current imbalance in the historiography of this retailing institution that tends to privilege its role as an autonomous modern building type Instead Iarocci documents the development of the department store as an urban institution that grew out of the built space of the city and the lived spaces of its occupants Printers' Ink; the ...
