Though the murder occurred more than 35 years ago James can't shake the nagging feeling that maybe the investigators missed something The more James digs into this cold case the more unwanted attention he gathers from powerful forces on both sides of the border who would prefer to keep the case closed Someone Had to Die follows a fictional lawyer as he digs into the true story of Special Agent Enrique Kiki Camarena's abduction and murder in 1985 drawing from and exposing interviews and facts never before published **The Saturday Evening Post** ,1915 *Song of the North Country* David Pichaske,2010-04-08 A remarkably fresh piece of Dylan scholarship focusing on the profound impact that his Midwestern roots have had on his songs politics and prophetic character **Historical Atlas of the Outlaw West** Richard M.
