Boggs,2013-09-06 A comprehensive filmography this book is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid from the lost Billy the Kid 1911 to the blockbuster Young Guns 1988 to the direct to video 1313 Billy the Kid 2012 and everything in between Each entry gives a synopsis cast and credits critical reception and a discussion of the events of the films compared to the historical record Among the entries are made for TV and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance Gunpowder, Explosives and the State Brenda J. Buchanan,2016-12-05 Gunpowder studies are still in their infancy despite the long standing civil and military importance of this explosive since its discovery in China in the mid ninth century AD In this second volume by contributors who meet regularly at symposia of the International Committee for the History of Technology ICOHTEC the research is again rooted in the investigation of the technology of explosives manufacture but the fact that the chapters range in scope from the Old World to the New from sources of raw materials in south east Asia to the complications of manufacture in the West shows that the story is more than the simple one of how an intriguing product was made This volume is the first to develop the implications of the subject not just in the sense of relating it to changing military technologies but in that of seeing the securing of gunpowder supplies as fundamental to the power of the state and imperial

pretensions The search for saltpetre for example an essential ingredient of gunpowder became a powerful engine of sea going European trade from the early seventeenth century Smaller states like Venice were unable to form these distant connections and so to sustain a gunpowder army Stronger states like France and Britain were able to do so and became even more powerful as the demand for improved explosives fostered national strengths leading to a development of the sciences especially chemistry in the former case and of manufacturing techniques in the latter *Library Journal* Melvil
