The Birth Care And Feeding Of A Local Church

Dr. Phillip Goble

The Birth Care And Feeding Of A Local Church:

The Birth, Care, and Feeding of a Local Church Donald J. MacNair, 1979 **The Y-B-H Handbook of Church Planting (Yes, But How?)** Roger N. McNamara, Ken Davis, 2005-05 This book covers all the crucial issues of the church planting task. It tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction **Church Planting from the Ground Up** Tom Jones, 2004 Church Planting from the Ground Up is a visionary guide for the critical task of new church multiplication. Share in the wisdom of these field tested veterans as you gain insight from their stories, practical ideas and real world experiences. Book jacket *Everything You Need to Grow a Messianic Yeshiva* Dr. Phillip Goble, 1981 **Planting Growing Churches for the 21st Century** Aubrey Malphurs, 2004-10-01 If the church is to thrive in the twenty first century it will have to take on a new form as it ministers to the 120 million unchurched people in the United States. Planting Growing Churches for the 21st Century is still virtually the only available text on church planting in North America and beyond. In this third edition readers will find material on the importance of healthy biblical change in our churches, updated appendixes, insight on our postmodern ministry context and strategies for reaching new population demographics such as Generations X and Y. Pastors, ministry leaders and church planters will find the information and advice found in this book invaluable as they carry out their ministries *Planting Missional Churches* Ed Stetzer, 2006-05-01 Planting Missional Churches is an instruction book for planting biblically faithful and culturally relevant churches. It addresses the how to and why issues of church planting by providing practical guidance through all the phases of a church plant while taking a missional look at existing and emerging cultures The Growing Local Church Donald J. MacNair, 1975 The Perfect Pastor? D. Thomas Owsley, 2007-09 More than just a wonderful story, this book equips laypeople with the insights to relate to and support their pastor while providing pastors with a solid understanding for how to address the various expectations of church members. Ministry Pastoral Resources Servants in Charge Keith M. Bailey, 2007-04-01 Servants in Charge is a training guide for elders and deacons with a study guide included. Servants in Charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders. And for servants who find themselves in charge, there are guidelines toward effective and fruitful ministry. Have you ever been in an office or a place of business when someone walked in and asked, "Who's in charge here?" Can it be that the people who enter your church ask the same question, but it is important to realize the answer is not a mystery. In a beautiful parable about His second coming, Jesus made it clear that His servants are in charge. These people are known not so much for their position or power but for their attitude of true servant hood. In Servants in Charge we find that Dr. Bailey deals with the topics of who a deacon and elder are to be, to what their qualifications are from a scriptural basis. He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament. He completes this short study with a guide for preparation for them and their election and consecration. A great must have for the church today **The Living Church** Donald J. MacNair, 1980
