

THE BIRTH OF FASCIST IDEOLOGY

ZEEV STERNHELL
with Mario Sznajder
and Maia Asheri

Translated by David Maisel

The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution

Spencer M. Di Scala

The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution:

The Birth of Fascist Ideology Zeev Sternhell, Mario Sznajder, Maia Ashéri, 1994 When *The Birth of Fascist Ideology* was first published in 1989 in France and at the beginning of 1993 in Italy it aroused a storm of response positive and negative to Zeev Sternhell's controversial interpretations In Sternhell's view fascism was much more than an episode in the history of Italy He argues here that it possessed a coherent ideology with deep roots in European civilization Long before fascism became a political force he maintains it was a major cultural phenomenon This important book further asserts that although fascist ideology was grounded in a revolt against the Enlightenment it was not a reactionary movement It represented instead an ideological alternative to Marxism and liberalism and competed effectively with them by positing a revolt against modernity Sternhell argues that the conceptual framework of fascism played an important role in its development Building on radical nationalism and an antimaterialist revision of Marxism fascism sought to destroy the existing political order and to uproot its theoretical and moral foundations At the same time its proponents wished to preserve all the achievements of modern technology and the advantages of the market economy Nevertheless fascism opposed every bourgeois value universalism humanism progress natural rights and equality Thus as Sternhell shows the fascists adopted the economic aspect of liberalism but completely denied its philosophical principles and the intellectual and moral heritage of modernity

The Birth of Fascist Ideology Zeev Sternhell, Mario Sznajder, Maia Asheri, 1994 **The Early Karl Barth** Paul Silas Peterson, 2018-04-06 Paul Silas Peterson presents Karl Barth 1886 1968 in his sociopolitical cultural ecclesial and theological contexts from 1905 to 1935 In the foreground of this inquiry is Barth's relation to the features of his time especially radical socialist ideology WWI an intellectual trend that would later be called the Conservative Revolution the German Christians the Young Reformation Movement and National Socialism From back of book Madrid's Forgotten Avant-Garde Silvina Schammah Gesser, 2016-04-01 This book explores the role played by artists and intellectuals who constructed and disseminated various competing images of national identity which polarized Spanish society prior to the Civil War The convergence of modern and essentialist discourses and practices especially in literature and poetry in what is conventionally called in Spanish letters The Generation of 27 created fissures between competing views of aesthetics and ideology that cut across political affiliation Silvina Schammah exposes the paradoxes facing Madrid's cultural vanguards as they were torn by their ambition for universality cosmopolitanism and transcendence on the one hand and by the centripetal forces of nationalistic ideologies on the other Taking upon themselves roles to become the disseminators and populizers of radical positions and world views first elaborated and conducted by the young urban intelligentsia their proposed aim of incorporating diverse identities embedded in different cultural constructions and discourse was to have very real and tragic consequences as political and intellectual lines polarized in the years prior to the Spanish Civil War **Political Science Abstracts** , 2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public

Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available

Anti-Colonialism and the Crises of Interwar Fascism Michael Ortiz,2023-01-12 What is fascism Is it an anomaly in the history of modern Europe Or its culmination In Anti Colonialism and the Crises of Interwar Fascism Michael Ortiz makes the case that fascism should be understood in part as an imperial phenomenon He contends that the Age of Appeasement 1935 1939 was not a titanic clash between rival socio political systems fascism and democracy but rather an imperial contest between satisfied and unsatisfied empires Historians have long debated the extent to which Western imperialisms served as ideological and intellectual precursors to European fascisms To date this scholarship has largely employed an inside out methodology that examines the imperial discourses that pushed fascist regimes outward into Africa Asia and the Americas While effective such approaches tend to ignore the ways in which these places and their inhabitants understood European fascisms Addressing this imbalance Anti Colonialism adopts an outside in approach that analyses fascist expansion from the perspective of Indian anti colonialists such as Jawaharlal Nehru Subhas Bose and Mohandas Gandhi Seen from India the crises of Interwar fascism the Second Italo Ethiopian War Spanish Civil War Second Sino Japanese War Munich Agreement and the outbreak of the Second World War were yet another eruption of imperial expansion analogous although not identical to the Scramble for Africa and the Treaty of Versailles Whether fascist democratic or imperialist Europe s great powers collectively negotiated the fate of smaller nations

Catholicism and the Roots of Nazism Derek Hastings,2011 Derek Hastings illuminates an important and largely overlooked aspect of Nazi history revealing National Socialism s close early ties with Catholicism in the years immediately after World War I when the movement first emerged Jacket **Nietzsche, Godfather of Fascism?** Jacob Golomb,Robert S. Wistrich,2024-11-01 Nietzsche the Godfather of Fascism What can Nietzsche have in common with this murderous ideology Frequently described as the radical aristocrat of the spirit Nietzsche abhorred mass

culture and strove to cultivate an *Übermensch* endowed with exceptional mental qualities What can such a thinker have in common with the fascistic manipulation of the masses for chauvinistic goals that crushed the autonomy of the individual The question that lies at the heart of this collection is how Nietzsche came to acquire the deadly honor of being considered the philosopher of the Third Reich and whether such claims had any justification Does it make any sense to hold him in some way responsible for the horrors of Auschwitz The editors present a range of views that attempt to do justice to the ambiguity and richness of Nietzsche's thought First rate contributions by a variety of distinguished philosophers and historians explore in depth Nietzsche's attitudes toward Jews Judaism Christianity anti-Semitism and National Socialism They interrogate Nietzsche's writings for fascist and anti-Semitic proclivities and consider how they were read by fascists who claimed Nietzsche as their intellectual godfather There is much that is disturbingly antiegalitarian and antidemocratic in Nietzsche and his writings on Jews are open to differing interpretations Yet his emphasis on individualism and contempt for German nationalism and anti-Semitism put him at stark odds with Nazi ideology The Nietzsche that emerges here is a tragic prophet of the spiritual vacuum that produced the twentieth century's totalitarian movements the thinker who best diagnosed the pathologies of fin de siècle European culture Nietzsche dared to look into the abyss of modern nihilism This book tells us what he found The contributors are Menahem Brinker Daniel W Conway Stanley Corngold Kurt Rudolf Fischer Jacob Golomb Robert C Holub Berel Lang Wolfgang Müller Lauter Alexander Nehamas David Ohana Roderick Stackelberg Mario Sznajder Geoffrey Waite Robert S Wistrich and Yirmiyahu Yovel *European Political Thought, 1815-1989* Spencer M. Di Scala, 2019-03-08 This book presents an overview of European political thought from the fall of Napoleon Bonaparte in 1815 to the fall of the Berlin Wall in 1989 by placing the major ideas within their historical context including discussions of major twentieth century totalitarian movements *Reaction and the Avant-Garde* Tom Villis, 2005-10-28 Reaction and the Avant Garde illuminates a vital facet of right wing thought in the first decades of the century which had a powerful hold on Europe's intellectual elite Prominent literary figures such as Ezra Pound Hilaire Belloc and the Chestertons led a revolt against liberal parliamentary democracy in Britain This group despised parliaments as representing and embodying a nation Villis examines the literary works private papers correspondence and memoirs of the leaders of this anti-Semitic anti-modern anti-women's rights movement that formed the intellectual underpinning of European fascism *The Ethos of the Enlightenment and the Discontents of Modernity* Matan Oram, 2022-05-05 This book probes the sources and nature of the discontents of modernity It proposes a new approach to the philosophic critical discourse on modernity The Enlightenment is widely understood to be the foundational moment of modernity Yet despite its appeal to reason as the ultimate ground of its authority and legitimacy the Enlightenment has had multiple historical manifestations and therefore can hardly be said to be a homogenous phenomenon The present work seeks to identify a unitive element that allows us to speak of the Enlightenment To do so it enjoins the concept of ethos and its relation to the discontents of modernity This book proposes a

new theoretical framework for the examination of the interrelationships between critical thought and modernity based on a fundamental distinction between criticism and negation It will appeal to scholars and students of critical theory the history of ideas philosophy the sociology of knowledge and political science

Dictionary of Antisemitism from the Earliest Times to the Present Robert Michael, Philip Rosen, 2007 Containing 2 500 entries this Dictionary includes entries that cover ancient medieval and modern antisemitism pagan Christian and Muslim antisemitism religious economic psychosocial racial cultural and political antisemitism A comprehensive scholarly introduction discusses the definitions causes and varieties of antisemitism

Totalitarianism Phillip W. Gray, 2023-06-20 Totalitarianism The Basics is an easy to read introduction into the main concepts ideologies and regimes associated with totalitarianism Starting with an overview of how scholars have attempted to define totalitarianism Phillip W Gray begins with an examination of the various types of terms used helping the reader think about how these terms do and do not apply to different ideologies and governments Easily accessible language and the use of numerous examples aid readers in seeing the connections between certain types of ideologies and some forms of organization movements in their relation to historically well known totalitarian regimes Gray concludes with the tools necessary to think through how to distinguish between an actual or potential totalitarian system and regimes that while oppressive or authoritarian would not be totalitarian in nature A rich bibliography containing additional readings bookend the text Totalitarianism The Basics offers an essential introduction for students from all backgrounds seeking to understand totalitarianism and for general readers with an interest in political ideologies and extremism For those knowledgeable in this field it adds conceptual relevance and a variety of ways of thinking about the term

The Wannabe Fascists Federico Finchelstein, 2024-05-14 Meet today s almost fascists and learn the warning signs to intercept them on the road from populism to dictatorship With The Wannabe Fascists historian Federico Finchelstein offers a precise explanation of why Trumpism and similar movements across the world belong to a new political breed the last outcome of the combined histories of fascism and populism the wannabe fascists This new type of populist politician is typically a legally elected leader who unlike previous populists who were eager to distance themselves from fascism turns to totalitarian lies racism and illegal means to destroy democracy from within Drawing on almost three decades of research on the histories of fascism and populism around the world this book lays out in clear language what the author calls the four pillars of fascism xenophobia propaganda political violence and ultimately dictatorship Finchelstein carefully explains how and why wannabe fascists like Trump Bolsonaro and Modi embrace the first three pillars but don t quite succeed in dictatorship and total suppression of the popular vote The Wannabe Fascists stresses the importance of preventing despots from reaching this tipping point and offers a clear warning for what s at stake

Journeys Through Fascism Charles Burdett, 2007 During the twenty years of Mussolini s rule a huge number of travel texts were written of journeys made during the interwar period to the sacred sites of Fascist Italy Mussolini s newly conquered African empire Spain during the Civil War Nazi Germany Communist Russia and the

America of the New Deal Examining these observations by writers and journalists the author throws new light on the evolving ideology of Fascism how it was experienced and propagated by prominent figures of the time how the regime created a utopian vision of the Roman past and the imperial future and how it interpreted the attractions and dangers of other totalitarian cultures The book helps gain a better understanding of the evolving concepts of imperialism which were at the heart of Italian Fascism and thus shows that travel writing can offer an important contribution to historical analysis

The SAGE Handbook of Nations and Nationalism Gerard Delanty, Krishan Kumar, 2006-06-14 With its list of distinguished contributors and its wide range of topics the handbook is surely destined to become an invaluable resource for all serious students of nationalism Michael Billig Professor of Social Sciences at Loughborough University and author of *Banal Nationalism* SAGE 1995 The persistence some would say revival of nationalism across the recent history of modernity in particular the past two decades has taken many scholars in the social sciences by surprise In response interest in the analysis of nationalism has increased and given rise to a great variety of new angles under which to study the phenomenon What was missing in the cacophony of voices addressing nationalism was a volume that brought them together and confronted them with each other This handbook does just that It deserves particular praise for the wide range of approaches and topic included and for the systematic attempt at studying nationalism as a phenomenon of our time not a remnant from the past Peter Wagner Professor of Social and Political Theory European University Institute and Professor of Sociology University of Warwick For students concerned with the contemporary study of nationalism this will be an invaluable publication The three fold division into approaches themes and cases is a very solid and sensible one The editors have commissioned essays from leading scholars in the field and this handbook provides the best single volume overview of contemporary nationalism John Breuilly Professor of Nationalism and Ethnicity London School of Economics Nationalism has long excited debate in political social and cultural theory and remains a key field of enquiry among historians anthropologists sociologists as well as political scientists It is also one of the critical media issues of our time There are however surprisingly few volumes that bring together the best of this intellectual diversity into one collection This Handbook gives readers a critical survey of the latest theories and debates and provides a glimpse of the issues that will shape their future Its three sections guide the reader through the theoretical approaches to this field of study its major themes from modernity to memory migration and genocide and the diversity of nationalisms found around the globe The overall aim of this Handbook is to relate theories and debates within and across a range of disciplines illuminate themes and issues of central importance in both historical and contemporary contexts and show how nationalism has impacted upon and interacted with other political and social forms and forces This book provides a much needed resource for scholars in international relations political science social theory and sociology

Origins of Political Extremism Manus I. Midlarsky, 2011-03-17 Political extremism is one of the most pernicious destructive and nihilistic forms of human expression During the twentieth century in excess of 100

million people had their lives taken from them as the result of extremist violence In this wide ranging book Manus I Midlarsky suggests that ephemeral gains together with mortality salience form basic explanations for the origins of political extremism and constitute a theoretical framework that also explains later mass violence Midlarsky applies his framework to multiple forms of political extremism including the rise of Italian Hungarian and Romanian fascism Nazism radical Islamism and Soviet Chinese and Cambodian communism Other applications include a rampaging military Japan Pakistan Indonesia and extreme nationalism in Serbia Croatia the Ottoman Empire and Rwanda Polish anti Semitism after World War II and the rise of separatist violence in Sri Lanka are also examined

TOTalitarian ARTs Mark Epstein, Fulvio Orsitto, 2017-03-07 This collection represents a tool to broaden and deepen our geographical institutional and historical understanding of the term totalitarianism Is totalitarianism only found in other societies How come then it emerged historically in ours first How come it developed in so many countries either in Western Europe Italy Germany Portugal and Spain or under implicit Western forms of coercion Latin America How do relations between individual s mass and the visual arts relate to totalitarian trends These are among the questions this book asks about totalitarianism The volume does not impose a one size fits all interpretation but opens new spaces for debate on the connection between the visual arts and mass culture in totalitarian societies From the Mediterranean to Scandinavia from Western Europe to Latin America from the fascism of the early 20th century to contemporary forms of totalitarian control and from cinema to architecture the chapters included in TotArt bring expertise historical sensibility and political awareness to bear on this varied range of phenomena This collection offers international contributions on visual performing and plastic arts The chapters range from examination of comics to study of YouTube videos and American newsreels from Italian Spanish Portuguese and Uruguayan cinemas to more contemporary American films and TV series from painters and sculptors to the study of urban spaces

Giuseppe Mazzini and the Origins of Fascism Simon Levis Sullam, 2015-10-21 This controversial and groundbreaking study proposes a compelling reinterpretation of the political thought of one Italy s founding fathers Giuseppe Mazzini 1805 1872 and in the process suggests a new approach to understanding the origins of fascist ideology

The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be

cautious and verify the authenticity of the source before downloading The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution Books

What is a The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Birth Of Fascist Ideology From Cultural Rebellion To Political Revolution PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper.
