pageants and crches are often combinations and embellishments of the gospel narratives The First Christmas Marcus J. Borg, John Dominic Crossan, 2007-10-09 In The First Christmas two of today s top Jesus scholars Marcus J Borg and John Dominic Crossan join forces to show how history has biased our reading of the nativity story as it appears in the gospels of Matthew and Luke As they did for Easter in their previous book The Last Week here they explore the beginning of the life of Christ peeling away the sentimentalism that has built up over the last two thousand years around this most well known of all stories to reveal the truth of what the gospels actually say Borg and Crossan help us to see this well known narrative afresh by answering the question What do these stories mean in the context of both the first century and the twenty first century They successfully show that the Christmas story read in its original context is far richer and more challenging than people imagine **The Birth of Jesus Christ** ,2024* **December 25, the Date of Birth of Jesus** Rev.
