August 2015 eight year old Irish girl Sarah Corbett Lynch was lifted from her bed by a Davidson County police officer and carried downstairs shielded from the chaos that had broken out around her. Hours passed before Sarah learned that her beloved father Jason was dead. And the people who killed him were Sarah's stepmother Molly Martens and her father Tom. Now Sarah tells her story for the first time and reveals the startling truth of life behind closed doors in her family's suburban North Carolina home. Sarah recalls the weeks and months leading up to that night in August and the use of manipulation and gaslighting by Molly Martens, the only mother she had ever known. She describes the traumatic years after her father's death as she and her brother Jack fought for justice from the safety of their new loving home in Limerick, Ireland, with Jason's family. *A Time for Truth* is a unique testimony of devastation, survival, and hope against the odds.
