The Black And Tans:

The Black and Tans D. M. Leeson, 2011-08-25 This is the story of the Black and Tans and Auxiliaries the most notorious police forces in the history of the British Isles During the Irish War of Independence 1920-1 the British government recruited thousands of ex soldiers to serve as constables in the Royal Irish Constabulary the Black and Tans while also raising a paramilitary raiding force of ex officers the Auxiliary Division From the summer of 1920 to the summer of 1921 these forces became the focus of bitter controversy As the struggle for Irish independence intensified the police responded to ambushes and assassinations by the guerrillas with reprisals and extrajudicial killings Prisoners and suspects were abused and shot the homes and shops of their families and supporters were burned and the British government was accused of imposing a reign of terror on Ireland Based on extensive archival research this is the first serious study of the Black and Tans and Auxiliaries and the part they played in the Irish War of Independence Dr Leeson examines the organization and recruitment of the British police the social origins of police recruits and the conditions in which they lived and worked along with their conduct and misconduct once they joined the force and their experiences and states of mind For the first time it tells the story of the Irish conflict from the police perspective while casting new light on the British government's responsibility for reprisals the problems of using police to combat insurgents and the causes of atrocities in revolutionary wars *The Black and Tans*

Prejudice and Tolerance in Ulster Rosemary Harris, 1972 **The Black and Tans** David Leeson, 2003 Over ten thousand Britons fought as police in the First Irish War 1920-21 Most of these British police were ex soldiers veterans of the Great War and members of the Royal Irish Constabulary RIC called Black and Tans for their mixed uniforms of dark police green and military khaki Ex officers joined a separate force the Auxiliary Division ADRIC a special emergency gendarmerie heavily armed and organized in military style companies Pitted against the guerrillas of the Irish Republican Army IRA the Black and Tans and Auxiliaries took many reprisals assassinating Irish republicans and burning their homes and shops As a consequence their name became a byword for crime and violence and the spectre of black and tannery has haunted Ireland ever since **The Time of the Tans** Tomás Mac Conmara, 2019-02-01 The Black and Tans raised voice raided my aunt's house where my mother was in bed at three o'clock in the morning I was due to be born three days later she got a stroke of

paralysis and lost the power of all her left side So I never saw my mother walk she could get around with the aid of a chair

Stories of the Black and Tans have been told across Ireland since the force was first released into the country in March 1920 Casting a dark and lingering shadow they remain an evocative and emotive category of memory For people who lived through it and those who inherited associated stories the Black and Tans were the embodiment of British repression violence and malevolence The Irish War of Independence is a landmark in the chronology of Irish history and profoundly affected all areas of life Much of that experience was never recorded Based on Tom s Mac Conmara s almost two decades of oral history recordings selected from over 400 interviews as well as access to multiple private family collections *The Time of the Tans* illuminates the stories of a period that has dominated the historical consciousness of Ireland From direct testimony of 105 year old Margaret Hoey to the inherited tradition of Flan O Brien who was born in 1927 the stories pulsate with an intensity of emotion The majority of interviewees who were recorded for this research have sadly since passed away Now their memories which have been preserved for posterity breathe new life into an enduringly important period in modern Irish history
