*Curial and Guelfa*, 2011 Among 15th century literature in the Romance languages Curial and Guelfa is one of the most successful romances of chivalry It is a veritable jewel of late medieval European literature and of narrative in the Crown of Aragon in particular Curial shares a range of features realism humanity believable deeds of chivalry historical background allusions to everyday life elements of humour and parody variation between literary and popular language with contemporary French chivalric narratives and with the Valencian Joanot Martorell's *Tirant lo Blanc* In this company however Curial stands out for the predominance in it of the sentimental component for a significant incidence of learned elements from Greek and Latin classical culture and from the early fathers of the Christian church and for its striking stylistic elegance These learned elements are an indication of fresh humanistic breezes blowing from Italy In this way the novel unites several cultural currents that converge in western Romance narrative at the end of the Middle Ages and the beginning of the Renaissance This translation into English by Max W Wheeler is based upon the 2008 edition by Antoni Ferrando **Bye-gones**, 1898

**Medicine and Humanism in Late Medieval Italy** Sarah R. J. G. Wood* John George Wood,1868 The Czech Manuscripts David L. Cooper,2023-10-15 The Czech Manuscripts is dedicated to one of the most important literary forgeries on the model of Macpherson s Ossianic poetry The Queen s Court and Green Mountain Manuscripts discovered in 1817 and 1818 went on to play an outsized role in the Czech National Revival functioning as founding texts of the national mythology and serving as sacred works in the long period when they were considered genuine A successful literary forgery tells a lot about what a culture wants and needs at a particular moment One fascinating aspect of this story is how a successful fake was able to function in an integral way as part of the Czech cultural revival of the nineteenth century both because it played to expectations and nationalist values and because it met real cultural needs in many ways better than genuine historical literary works and artefacts Also fascinating is

the vainglorious V clav Hanka a prolific and dedicated forger who was likely the center of the conspiratorial ring that created the manuscripts and who went on as the librarian of the Czech National Museum to alter a number of others David Cooper analyzes what made the Manuscripts a convincing imitation of their Serbian and Russian models He looks at how translation shaped their composition and at the benefit of examining them as pseudotranslations and investigates the quasi religious rituals and commemorative practices that developed around them The Czech Manuscripts brings the Czech experience into the broader developments of European history *King Arthur and the Knights of the Round Table* Howard Pyle, 2002 A retelling of the adventures and exploits of King Arthur and his knights at the court of Camelot and elsewhere in the land of the Britons Catalogue of Shield Reptiles in the Collection of the British Museum John Edward Gray, 1872 The Gewgaws Adventure (Perry & Arvin Adventures, Book 1) C.M.
