Library of Congress Catalogs Library of Congress, 1976 **Subject Catalog** Library of Congress, For the Love of Flying Danielle Metcalfe-Chenail, 2009 This is the first book to tell the story of one of Canada's most innovative aviation companies Laurentian Air Services and thus fills an important gap in Canadian aviation history Drawing on extensive research and interviews with Laurentian's presidents pilots and ground crew author Danielle Metcalfe Chenail explores the company's 60 year history from its founding in 1936 in Ottawa with small biplanes through to the 1990s when it was operating scheduled flights with twin engine Beech 99s and Beech King Air 200s During those 60 years Laurentian was at the forefront of air tourism in the Ottawa region and the Laurentian Mountains of Quebec as well as fly in hunting and fishing in Canada's north It also pioneered the use of the Grumman G 21 Goose and de Havilland Beaver commercially and provided vital air support to survey and development work for such massive undertakings as the Churchill Falls and James Bay hydroelectric projects This book brings Laurentian's history to life through first hand stories and an exciting collection of colour and black and white photographs the majority of which have not previously been published This is a long overdue book that appeals to armchair bush flyers and aviation historians alike *The Antiquaries Journal*, 1976 **Directory**, 1986 Chinese-Philippine Diplomatic Relations, 1946-1975 Shi-ching Hsiao, 1975 **Woman's Art Journal**, 1982 *A Giant Tree has Fallen* Seifudein Adem, Jideofor Adibe, 2016-09-01 This book memorialising the life and work of Ali Alamin Mazrui comprises more than 130 tributes written by people ranging from heads of state to journalists Presented here are those tributes for which copyright permissions were received from among the hundreds that appeared online and print In preparing this book it was made very clear that unlike other books of tributes to great men and women there would be no

segmentation of the sections based on writers and speakers positions in life. Instead it was decided that the tributes be presented in alphabetical order based on writers and speakers last names. The decision hinged on the fact that Mazur would not have apposed any segmentation of people by class, race, ethnicity and gender etc. Nonetheless out of great respect for Mazur's immediate family members their tributes are presented first followed by those from his global family members. Also included at the beginning of the book are three chapters that comprise an introductory essay, a brief biography of Mazur and an essay on metaphorical linguistic analysis of the tributes that follow. The book also has a preface by the coeditors and a forward by Salim Ahmed Salim, the former Prime Minister of the United Republic of Tanzania and Secretary General of the Organisation of African Unity (OAU) now known as the Africa Union. Dr Salim, who served as the Secretary General of the OAU from 1989 to 2001, was Mazur's friend and contemporary. Mazruri once described Salim as Mr Africa and the first real postcolonial Secretary General of the OAU. **Journal of International Affairs**, 1981
