Politics of Possession in a Seventeenth-Century Convent Nicky Hallett,2017-11-22 Presenting a remarkable set of previously unpublished papers this book concerns the bewitchment possession and exorcism of two seventeenth century nuns living in exile in an English convent in the Spanish Netherlands The two women left behind an extensive set of personal writing that reveals unprecedented detail about their devotional lives and spiritual states before during and after exorcism Unlike other similar cases here the women write for themselves for the first time in 350 years this book allows their voices and their silences to resound in all their vibrancy An extensive introduction discusses the politics of piety and possession at a time when exorcism had become increasingly contentious amidst conflicting claims for rival church reform The book includes both autobiographical and biographical material written by the nuns and about them and casting new light on processes of female self writing at just the time when the modern subject is often said to have emerged **The Provincial Letters of**

the joy and blessedness of Christian life in a world of adversity and suffering Written in ordinary language the work combines simplicity and inwardness with reflection and presents crucial Christian concepts and presuppositions with unusual clarity Kierkegaard continued in the pattern that he began with his first pseudonymous esthetic work *Either Or* by pairing Christian Discourses with *The Crisis* an unsigned esthetic essay on contemporary Danish actress Joanne Luise Heiberg *The Latter-Day Saints' Millennial Star*, 1862 *Abbot Suger on the Abbey Church of St. Denis and Its Art Treasures* Abbot Suger, 2019-12-31 This revised edition incorporates the additions and corrections recorded by Erwin Panofsky until the time of his death in 1968 Gerda Panofsky Soergel has updated the commentary in the light of new material and the bibliography that she has prepared reflects the scholarship on St Denis in the last three decades She has obtained some additional and more recent photographs and the illustrations include a new ground plan and a new section of the chevet of the Abbey Church both drawn under the supervision of Sumner McKnight Crosby *History of the Celebration of the Fiftieth Anniversary of the Taking Possession of California and Raising of the American Flag at Monterey, Cal., by Commodore John Drake Sloat, U.S.N., July 7th, 1846* Associated Veterans of the Mexican War, 1896 *The Blessing* Debbi Cox, 2003-07

M. van Beek, 2023-06-12 Nineteen sermons of the beloved Rev M van Beek see the light in this volume It was possible by the way of a tape recording to preserve these preached sermons and it is now possible to publish them after the death of the minister who preached them You should therefore take into account that these sermons come to our attention more in a preaching style than in a written style Yet this often makes the reading or the listening to these sermons more pleasant However this does not take away that these published sermons are very attractive as far as the history is concerned because it is remarkable that this history always fascinates the children and young people But yet it is not only the historical part of Joseph s life that is brought to our attention in these sermons theses sermons also have a spiritual content The way in which the Lord deals with His people is clearly brought to to out attention too Joseph is also clearly pointed out to us as a type of Christ in these sermons Rev F Mallan Alblasserdam NL **The Happiness of Heaven** Rev.
