that is the life of Gordon Plotkin is somehow poured on the pages of his books In conclusion I want all of you true readers to know this man and get lost in the contagious worlds that Gordon Plotkin creates

Nineteenth-Century Egil Bakka, Theresa Jill Buckland, Helena Saarikoski, Anne von Bibra Wharton, 2020-09-10 From folk devils to ballroom dancers *Waltzing Through Europe* explores the changing reception of fashionable couple dances in Europe from the eighteenth century onwards A refreshing intervention in dance studies this book brings together elements of historiography cultural memory folklore and dance across comparatively narrow but markedly heterogeneous localities Rooted in investigations of often newly discovered primary sources the essays afford many opportunities to compare sociocultural and political reactions to the arrival and practice of popular rotating couple dances such as the Waltz and the Polka Leading contributors provide a transnational and affective lens onto strikingly diverse topics ranging from the evolution of romantic couple dances in Croatia and Strauss's visits to Hamburg and Altona in the 1830s to dance as a tool of cultural preservation and expression in twentieth century Finland *Waltzing Through Europe* creates openings for fresh collaborations in dance historiography and cultural history across fields and genres It is essential reading for researchers of dance in central and northern Europe while also appealing to the general reader who wants to learn more about the vibrant histories of these familiar dance forms    **Biology of Brain Dysfunction** Gerald E.
