Encyclopedia of London's East End Kevin A. Morrison,2023-03-03 The East End is an iconic area of London from the transient street art of Banksy and Pablo Delgado to the exhibitions of Doreen Fletcher and Gilbert and George Located east of the Tower of London and north of the River Thames it has experienced a number of developmental stages in its four hundred year history Originating as a series of scattered villages the area has been home to Europe's worst slums and served as an affluent nodal point of the British Empire Through its evolution the East End has been the birthplace of radical political and social movements and the social center for a variety of diasporic communities This reference work with its alphabetically organized cross referenced entries and its original and historical photography serves as a comprehensive guide to the social and cultural history of this global hub [The Bibliography of Regional Fiction in Britain and Ireland, 1800-2000](#) Keith D. M. Snell,2017-03-02 Pioneering and interdisciplinary in nature this bibliography constitutes a comprehensive list of regional fiction for every county of Ireland Scotland Wales and England over the past two centuries In addition other regions of a usually topographical or urban nature have been used such as Birmingham and the Black Country London The Fens the Brecklands the Highlands the Hebrides or the Welsh border Each entry lists the author title and date of first publication The geographical coverage is encompassing and complete from the Channel Islands to the Shetlands An original introduction discusses such matters as definition bibliographical method popular readerships trends in output and the scholarly literature on regional fiction **Beyond Marginality** Efraim Sicher,2012-02-01 In a unique study of Anglo Jewish writers in the post war period Dr Sicher traces through their works the story of the rise of the Jewish community from slum poverty to suburban affluence This period is one of crucial social change in Britain At the same time Dr Sicher raises serious questions about the modern writer's cultural and ethnic identity In this process Dr Sicher advances the thesis that under the impetus of the Holocaust the more traditional conflict between Jewish roots and assimilation has been succeeded by a reassessment of identity and morality Dr Sicher's perspective on this particular period of literature is a highly original one and it should
