The Blue Blueprint

Howard Parker Fairfield

The Blue Blueprint:

The Blue Blueprint Colin Dodds, 2003-11 *The Blue Blueprint* is the first book of Dodds poetry to hit the literary world since *The Last Man on the Moon*. Its uniqueness, wordplay, wit, and ebullience shine through in poems about the struggle to love the September attacks, the shape of the world and of ourselves as well as a handful of songs and the introduction of Spill O, a character who is sure to linger in the memory and the dreams of readers and poets for years to come. Moving through the sub-basements of Brooklyn, the glistening spires of midtown Manhattan, the woods and beaches of the Northeast, *The Blue Blueprint* is as complete a picture of the world as has been attempted in poetry in the last fifty years. The book features stunning illustrations by Ben Gibson and Dan Jock two up and coming superstars in the illustration world as well as Ben Gibson's seminal graphic design.

The Blue Period Jesse McCarthy, 2024-04-25 To be a Black writer in the early years of the Cold War was to face a stark predicament. On the one hand, revolutionary Communism promised egalitarianism and lit the sparks of anticolonial struggle but was hostile to conceptions of personal freedom. On the other hand, the great force opposing the Soviets at midcentury was itself the very fountainhead of racial prejudice represented in the United States by Jim Crow. Jesse McCarthy argues that Black writers of this time were equally alienated from the left and the right and channeled that alienation into remarkable experiments in literary form. Embracing racial affect and interiority, they forged an aesthetic resistance premised on fierce dissent from both US racial liberalism and Soviet Communism. Ranging from the end of World War II to the rise of Black Power in the 1960s, from Richard Wright and James Baldwin to Gwendolyn Brooks and Paule Marshall and others, Jesse McCarthy shows how Black writers defined a distinctive moment in American literary culture that McCarthy calls the Blue Period.
