## **The Body Victorious:**

The Body Victorious Lennart Nilsson, Jan Lindberg, 1987-01      **The Woman in the Body** Emily Martin, 2001-08-01 A bold reappraisal of science and society The Woman in the Body explores the different ways that women's reproduction is seen in American culture Contrasting the views of medical science with those of ordinary women from diverse social and economic backgrounds anthropologist Emily Martin presents unique fieldwork on American culture and uncovers the metaphors of economy and alienation that pervade women's imaging of themselves and their bodies A new preface examines some of the latest medical ideas about women's reproductive cycles      The Politics of Immunity Mark Neocleous, 2022-04-05 The violence and destruction hiding behind the obsession with immunity Our contemporary political condition is obsessed with immunity The immunity of bodies and the body politic personal immunity and herd immunity how to immunize the social system against breakdown The obsession intensifies with every new crisis and the mobilization of yet more powers of war and police from quarantine to border closures and from vaccination certificates to immunological surveillance Engaging four key concepts with enormous cultural weight Cell Self System and Sovereignty Politics of Immunity moves from philosophical biology to intellectual history and from critical theory to psychoanalysis to expose the politics underpinning the way immunity is imagined At the heart of this imagination is the way security has come to dominate the whole realm of human experience From biological cell to political subject and from physiological system to the social body immunity folds into security just as security folds into immunity The book thus opens into a critique of the violence of security and spells out immunity's tendency towards self destruction and death immunity like security can turn its aggression inwards into the autoimmune disorder Wide ranging and polemical Politics of Immunity lays down a major challenge to the ways in which the immunity of the self and the social are imagined      The Insanity of Obedience Nik Ripken, 2014-01-01 Wise Sheep Among the Wolves All Christian disciples have one thing in common as they carry the gospel across the ocean and across the street persecution will become the norm for those who choose to follow Jesus How believers respond in the face of persecution reveals everything about their level of faith and obedience The Insanity of Obedience is a bold challenge to global discipleship Nik Ripken exposes the danger of safe Christianity and calls readers to something greater The Insanity of Obedience challenges Christians in the same provocative way that Jesus did This book dares you and prepares you to cross the street and the oceans with the Good News of Jesus Christ Some of Jesus' instructions sound uncomfortable and are potentially dangerous We may be initially encouraged by His declaration I am sending you out But how are we to respond when He then tells us that He is sending us out like sheep among wolves In light of the words of Jesus how can modern day believers rest comfortably in the status quo How can we embrace casual faith in light of the radical commands of Jesus which are anything but casual Ripken brings decades of ministry experience in some of the most persecuted areas of the world to bear on our understanding of faith in Jesus The Insanity of Obedience is a call to roll up your sleeves and to follow and

partner with Jesus in the toughest places on this planet We have the high privilege of answering Jesus call to go Ripken says But let us be clear about this we go on His terms not ours If we go at all we go as sheep among wolves Jesus gives us Himself And He gives us the tools necessary for those who dare to journey with Him *Annual Reports of the Board of Live Stock Commissioners, and State Veterinarian* Illinois.
