## **The Bogeyman Stalking And Its Aftermath:**

The Bogeyman Sherry Meinberg, 2003-02-01 The Bogeyman represents the author's personal history as it pertains to stalking experiences and related information. This encapsulated version condenses forty years of stalking experiences into a mere ten chapters. Dr. Sherry L. Meinberg honed her survival skills long before any research facts and figures were considered and before the word stalking was coined. She learned everything the hard way without books, advice, or professionals to guide her through firsthand experience alone. Alongside her personal saga, the book presents added material listing expert opinions, information, and resources serving as supportive and reinforcing background for her experiences. Research now tells us that one in twelve women in the USA and a growing number of men will be stalked at sometime in their lives. Over one and a half million adults are stalked annually, with the vast majority of victims being the average normal everyday citizen. Could one of your family members or friends become a victim? Could you find out what to expect and how to protect yourself and loved ones? Take action. *The Bogeyman*, 2003 **In the Nick of Time** Dr. Sherry L. Meinberg, 2016-07-08 Coincidences, synchronicities, and dreams bear marked similarities. They often catch us off guard, and we tend to easily discount them without giving them much thought. The signs and symbols involved are considered to be guideposts for the wise, as they each hold much meaning and significance if we are open and receptive to their messages.

**Seizing the Teachable Moment** Dr. Sherry L. Meinberg, 2015-05-06 The teachable moment is any unplanned off-the-cuff comment or out-of-the-blue event that can be used as a learning opportunity. It is a spontaneous response that addresses whatever sparked the enthusiastic interest of an individual or a group. It is a fleeting, impromptu reply to address a sudden interest or burning questions in the here and now when listeners are most open, engaged, and receptive. Eighty 80 anecdotes from individuals in all walks of life include their spur-of-the-moment replies to the unexpected. Their heartwarming stories are poignant, funny, and sometimes jaw-dropping. Toxic Attention Sherry Meinberg, NOW I ASK YOU... Dr. Sherry L. Meinberg, 2024-02-20 All of my family and many friends are scattered in various states or countries. So when I die, they needn't gather in California for my funeral, as I do not plan to have one. My goal is to have my lawyer or a friend send everyone I know a copy of my memoir/advice book NOW I ASK YOU to save everyone the hassle of traveling on short notice. It is not worth their time, effort, and inconvenience, nor the money involved. Throughout my 84 years so far, I have garnered tons of personal experiences, good, bad, and so so. As such, I have chosen 120 subjects to share. Each section has three parts. It starts with NOW I ASK YOU questions and/or advice for the reader, then my personal story followed by inspirational quotations, both old and new, from the famous, the not-so-famous, and the anonymous pertaining to that particular experience. Few individuals have heard all of these tales, so many will be new to them. I have actually heard friends become angry when I would tell one of my stories to others and they hadn't heard it before. How weird is that? Although I tried to place my memories in chronological order, the reader can dive in anywhere, as each story can stand alone. I hope readers will smile or laugh or cringe at some of

my difficult unpleasant funny or embarrassing experiences This 24th book of mine is just my way of leaving a historical record of sorts for my family as well as a roadmap for friends neighbors former students and other readers to learn from my failures and successes always a teacher at heart Understand your life as a kaleidoscope of experiences that move and change L D Thompson We should learn from the mistakes of others We don't have time to make them all ourselves Groucho Marx
