**A Monument to Deceit** C. Michael Hiam,2014-03-14 It was an enigma of the Vietnam War American troops kept killing the Viet Cong and being killed in the process and yet their ranks continued to grow When CIA analyst Sam Adams uncovered documents suggesting a Viet Cong army more than twice as large as previously reckoned another war erupted this time within the ranks of America s intelligence community Although originally clandestine this conflict involving the highest levels of the U S government burst into public view during the acrimonious lawsuit Westmoreland v CBS The central issue in the suit as in the war itself was the calamitous failure of U S intelligence agencies to ascertain the strength of the Viet Cong and get that information to troops in a timely fashion The legacy of this failure whether caused by institutional inertia misguided politics or individual hubris haunts our nation In the era of Chelsea Manning Julian Assange and Edward Snowden Sam Adams tireless crusade for honest intelligence resonates strongly today      *Friendship in Death: in twenty letters from the dead to the living. **Poems of the Bridge** Richard Alan Ruof,2008-05-14 POEMS OF THE BRIDGE presents incidents and insights from experiences that the author found enlightening during a lifetime of service as a pastor and family man The use of poetry allows presentation in brief form and helps reveal the amazing acts of God in everyday life A simple factual statement would only invite attempts to explain away the unexplainable And so they are presented as faith experiences that simply arise among believers inspired by the promises of Christ and the Scriptures The poems also question who this amazing martyr is who enters our confusing and modern world to bring compassion understanding and restore the bridge between divided couples family members and warring factions even those we shall join again in a world beyond death So much of what is precious has been neglected in search of money belongings and real estate Shall we forget forever family solidarity love faith those matters most rewarding and our constant source of joy Or shall we turn from shopping shallow entertainment material obsession to rediscover our true identity Shall we take time to consider those treasures offered to us forever The strain of the world has a way of unveiling false assumptions and presenting the need for that final bridge Our quest for a stable world falters daily In an effort to achieve everything by human efforts our age has given its respect to the clever powerful and worldly and put aside the lovely miracles of the God of compassion and eternal blessings God still rewards those who continue in Christ s faith and service Yet in a broader spectrum POEMS OF THE BRIDGE rejects the prevailing philosophic viewpoint of positivism advocating that neither God nor the spiritual has any effect upon the course of history the plight of the human race or individual persons *Friendship in Death, in Twenty Letters from the Dead to the Living* Rowe,1746
