Robert Steven Koppelman

The Boss Is Dead:

The Overland Monthly ,1891 *Robert Penn Warren's Modernist Spirituality* Robert Steven Koppelman,1995 Beginning with an overview of Warren s career as a Fugitive at Vanderbilt and then later as a formidable New Critic Koppelman argues that Warren s regard for the spiritual aesthetic of both literary language and form can be traced to his early study of poetic metaphor To illustrate Warren s mature vision Koppelman centers his study on two novels and two poetry collections *All the King s Men* *A Place to Come To* *Promises Poems* 1954 1956 and *Now and Then Poems* 1976 1978 He also examines the critical studies that concentrate on Warren s vision of time history and spiritual fulfillment as well as those essays by Warren that complement his poems and novels in such a way as to elicit the reader s participation in the redemption of their narrators

Confessions of a Yakuza Dr. Junichi Saga, 2010-08-05 This is the true story as told to the doctor who looked after him just before he died of the life of one of the last traditional yakuza in Japan It wasn't a good life in either sense of the word but it was an adventurous one and the tale he has to tell presents an honest and oddly attractive picture of an insider in that separate unofficial world In his low hoarse voice he describes the random events that led the son of a prosperous country shopkeeper to become a member and ultimately the leader of a gang organizing illegal dice games in Tokyo's liveliest entertainment area He talks about his first police raid and the brutal interrogation and imprisonment that followed it He remembers his first love affair and the girl he ran away with and the weeks they spent wandering about the countryside together Briefly and matter of factly he describes how he cut off the little finger of his left hand as a ritual gesture of apology He explains how the games were run and the profits spent why the ties between members of the brotherhood were so important and how he came to kill a man who worked for him What emerges is a contradictory personality tough but not unsentimental stubborn yet willing to take life more or less as it comes impulsive but careful to observe the rules of the business he had joined And in the end when his tale is finished you feel you would probably have liked him if you'd met him in person Fortunately Dr Saga's record of his long conversations with him provides a wonderful substitute for that meeting
