Bill Goodson

The Bossuet Conspiracy:

The Bossuet Conspiracy Bill Goodson, 2004-06-08 Was Thomas Merton's death in Thailand in 1968 really an accident? This question intrigues Rachel Crockett, a Nashville teenager who is estranged from her alcoholic father, Trey, a psychiatrist. The celebrated Trappist monk becomes an unexpected link between them, leading Rachel on a dangerous quest. The Vatican, an international business cartel, the Mexican Mafia, and Tennessee politics collide in a web of intrigue culminating in a thrilling climax that exposes the truth about Merton's death. A fine plot, great characters, and just darn good writing. Homer Hickam, best-selling author of *Rocket Boys* and others, I could not put the book down. A masterful work, a fascinating and wonderful book. Ferrol Sams, award-winning author of *Run With the Horsemen* and others.

Theology, Politics and Letters at the Crossroads of European Civilization G. Cerny, 2012-12-06 The Character of Seventeenth Century French Protestantism and the Place of the Huguenot Refuge following the Revocation of the Edict of Nantes. Thirty-seven years ago, the late Emile G. Leonard regretted that there were so few historical studies of seventeenth-century French Protestantism and no general historical synthesis for the period as a whole. At the time, Leonard's observation was accurate. Seventeenth-century French Protestantism traditionally remained a questionable and problematical subject for historians. All too frequently, historians neglected it in favor of emphasizing its origins in the second half of the sixteenth century and its renaissance since the French Revolution. When the rare historian broke his silence and considered French Protestantism in the seventeenth century, it was meager and generally ambivalent or negative. The historiographer's treatment of seventeenth-century French Protestantism could only cite the outstanding works of Jean Pannier and Orentin Douen, which taken together emphasized the new pre-eminence of Parisian Protestantism in the seventeenth century and the genuine works of synthesis by John Vienot and Matthieu Lelievre, which again had to be placed side by side in order to complete coverage of the whole of the seventeenth century. The only true intellectual history of seventeenth-century French Protestantism was the study by Albert Monod, which however dealt with the second half of the century and then only in the broad context of both Protestant and Catholic thought responding to the challenge of modern rationalism.

English Essays, 1869 **Modernists and Mystics** C. J. Talar, 2009-10-05 Explores the deep interest in spirituality and mysticism among Catholic Modernists.

[The Encyclopedia of Christian Literature](#) George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience. As vigorous in the 1st century as it is in the 21st, Christian literature has had a significant function in history, and teachers and students need to be reminded of this powerful literary legacy. Covering 2,000 years, The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books. In addition to an overview of the Christian literature, this two-volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio-bibliographical essays describing the principal writers and their works. These essays examine the evolution of Christian thought as reflected in the literature of every age. The companion volume also features bibliographies.

an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles
