Until I Find You John Irving, 2009-02-24 *Until I Find You* is the story of the actor Jack Burns his life loves celebrity and astonishing search for the truth about his parents When he is four years old Jack travels with his mother Alice a tattoo artist to several North Sea ports in search of his father William Burns From Copenhagen to Amsterdam William a brilliant church organist and profligate womanizer is always a step ahead has always just departed in a wave of scandal with a new tattoo somewhere on his body from a local master or scratcher Alice and Jack abandon their quest and Jack is educated at schools in Canada and New England including tellingly a girls school in Toronto His real education consists of his relationships with older women from Emma Oastler who initiates him into erotic life to the girls of St Hilda's with whom he first appears on stage to the abusive Mrs Machado whom he first meets when sent to learn wrestling at a local gym Too much happens in this expansive eventful novel to possibly summarize it all Emma and Jack move to Los Angeles where Emma becomes a successful novelist and Jack a promising actor A host of eccentric minor characters memorably come and go including Jack's hilariously confused teacher the Wurtz Michelle Maher the girlfriend he will never forget and a precocious child Jack finds in the back of an Audi in a restaurant parking lot We learn about tattoo addiction and movie cross dressing sleeping in the needles and the cure for cauliflower ears And John Irving renders his protagonist's unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches This is an absorbing and moving book about obsession and loss truth and storytelling the signs we carry on us and inside us the traces we can't get rid of Jack has always lived in the shadow of his absent father But as he grows older and when his mother dies he starts to doubt the portrait of his father's character she painted for him when he was a child This is the cue for a second journey around Europe in search of his father from

Edinburgh to Switzerland towards a conclusion of great emotional force A melancholy tale of deception Until I Find You is also a swaggering comic novel a giant tapestry of life s hopes It is a masterpiece to compare with John Irving s great novels and restates the author s claim to be considered the most glorious comic moving novelist at work today **Cycles of a Traveler** Joe Diomedee,2010-08-09 Cycles of a Traveler A celebration of humanity in all its wondrous glory and the world in all its devastating beauty From the streets of The Bronx Joe Diomedee accomplishes his dream and heads out across America on his motorcycle for a once in a lifetime trip with his college buddy For Joe it doesn t stop there it turns into his yearly ritual When a small mishap on one of those journeys puts him on a collision course with his life s path the bitter reality of the poverty and injustice he confronts leads him to look at his life in a different light A bicycle soon replaces his trusty motorcycle and we are led down the backstreets of Japan maneuver on the muddy roads in the rainforests of Borneo freewheel throughout the European countryside and up to a chance meeting with fate high in the Himalayas While mingling with the people who share our planet we are drawn into a search for meaning at a time before the internet offered instant answers and mobile phones kept us in constant contact Explore the world from the saddles of Joe s cycles adventure becomes accessible to us all coincidence takes on new meaning and synchronous moments become the norm We become conscious that although cultural linguistic religious and social differences seem to separate us all were truly on this ride together Put on your leather jacket slip on your bike shorts and enjoy these true tales of voyage discovery and synchronicity
