Sports on Television Alvin H. Marill, 2008-12-30 Television has always augmented its dramatic and variety programming with sports After covering wrestling and boxing matches for several years ABC added the hugely popular Roller Derby between 1949 and 1951 and later college and pro football Today there is a multitude of pay and cable networks devoted exclusively to baseball football golf hockey tennis ice skating and auto racing Rather than focusing on live sports broadcasts however this book chronicles the history of sports themed comedies and dramas to see how our national fictions have affected our authentic sports experiences and vice versa Sports dominate the television landscape today and still the demand for more is so great that pay and cable networks continue to find funding and success even when devoted exclusively to a single sport But this is really nothing new television has always augmented its dramatic and variety programming with sports Live sports have had a tremendous impact on what we see on television and on how we see it Rather than focusing on live sports broadcasts however this book takes a critical look at sports themed comedies and dramas to see how our authentic sports affect our national fictions as well From the character studies that supplement Olympic coverage to nightly highlight reels to reality programming on ESPN sports both echo and help shape the myths that pervade our culture Sports on Television covers the changing relationship between live sports broadcasts and television dramas as well as the important technological developments and cultural shifts that have changed the way we view the reality of sports In 1949 after covering

wrestling and boxing matches for several years ABC added the hugely popular Roller Derby and later moved on to college and pro football where humble beginnings have since developed into a national obsession In the early sixties Jimmy Stewart played a disgraced baseball player in Flashing Spikes which was also one of the rare ventures into television for veteran director John Ford On HBO the Yankees have been the subject of both 61 about Roger Maris's quest to top Babe Ruth's home run record and The Bronx Is Burning about the 1977 Yankees team And there have been sports themed TV sitcoms as well such as Sports Night Aaron Sorkin's critically lauded but commercially unsuccessful project which preceded his work on The West Wing Meanwhile American Gladiators a strange blend of canned programming and authentic athletic endeavor that in effect puts television audiences in an arena with what amounts to professional athletes is quickly becoming one of the most popular shows on primetime Here Marill gives due time to all of these unique projects Bear & Tutter's Big & Little ABCs Patricia Boczkowski, Mitchell Kriegman, 2001-09 With colorful illustrations simple text and a two books in one format this book entertains youngsters and also teaches them valuable letter and word recognition skills **ABC Books and Activities** Cathie Hilterbran Cooper, 1996 A creative guide to over 5000 alphabet books with activities games and projects that can be used with ABC books **Encyclopedia of Television Subjects, Themes and Settings** Vincent Terrace, 2024-10-17 Over the course of 80 years television has produced countless programs many of which fit a particular profile Did you know for example some programs are devoted to ghosts genies angels and even mermaids Color broadcasting was first tested in 1941 Live models were used to advertise lingerie as early as 1950 Or that nudity although accidental occurred on TV long before cable was even thought possible These are just a few of the many facts and firsts that can be found within the 145 entries included Appropriate for fans and scholars and bursting with obscure facts this work traces the evolution of specific topics from 1925 through the 2005-2006 season Entries include such diverse themes as adolescence adult film actresses on TV bars espionage gays immigrants lawyers transsexuals and truckers as well as locations like Canada Hawaii New York and Los Angeles Each entry is arranged as a timeline clearly displaying how television's treatment of the subject has changed through the years Each entry is as complete as possible and contains series pilot special and experimental program information Whether just a fan of television and eager to know more about the medium or a scholar seeking hard to find facts and information this book traces the history of specific topics from television's infancy to its changes in the early twenty first century The ABC's of Writing for Children , 2003 One hundred and fourteen authors and illustrators of children's books share the process of researching writing and publishing books discuss what their inspirations are and recount the best and worst advice they ever received
