When the war ends Roman attends college becomes a teacher is married and has a daughter. However all is not well with Roman's psyche. The

sublime peace that he seeks is constantly shattered by episodes of depression After a few years of on and off mental struggles he seeks professional assistance While in therapy and on a pre Thanksgiving weekend Roman and his wife and daughter visit his in laws at a very rural area in Chemung New York While on an outdoor walk Roman and his daughter are kidnapped by a brutal mountain man and his two miscreant sons who are all running from the law Roman and his daughter are driven to the Adirondack Mountains where they are forced to journey to a hunting cabin in an extremely remote wilderness area where the white wolf appears again
