Film and the American Presidency Jeff Menne, Christian B. Long, 2015-02-20 The contention of Film and the American Presidency is that over the twentieth century the cinema has been a silent partner in setting the parameters of what we might call the presidential imaginary This volume surveys the partnership in its longevity placing stress on especially iconic presidents such as Lincoln and FDR The contributions to this collection probe the rich interactions between these high institutions of culture and politics Hollywood and the presidency

and argue that not only did Hollywood acting become an idiom for presidential style but that Hollywood early on understood its own identity through the presidency's peculiar mix of national epic and unified protagonist. Additionally, they contend that studios often made their films to sway political outcomes, that the performance of presidential personae has been constrained by the kinds of bodies for so long white and male that have occupied the office such that presidential embodiment obscures the body politic and that Hollywood and the presidency may finally be nothing more than two privileged figures of media age power.

Rough Rider David Key, 2013-11-15. *Rough Rider* is a snapshot study of the significant career of President Theodore Roosevelt. Partly biographical sketch and partly analysis, the book provides an overview of his actions, ideals, and written works, highlighting important events from Roosevelt's early public life, his presidency, and later career. David Key sees Roosevelt as a statesman who well understood how to create his own popular image, but equally important was Roosevelt's place as one of the foremost historians of his time, a man who understood the traditional criteria for greatness and did not hesitate to shape his own legacy. Written especially for college students, *Rough Rider* examines pertinent primary sources and critical analyses of other historians to aid in understanding the legacy of Theodore Roosevelt.

Mona Moon Mysteries: Box Set 7-12 Abigail Keam, *MURDER UNDER A FULL MOON*. Mona Moon goes to Washington D.C. to have lunch at the White House with Eleanor Roosevelt, First Lady of the United States. While in Washington, Mona wants to take in the sights, but her visit is marred by the violent death of two men trying to procure copper contracts with Moon Enterprises. Mona is approached by American agents to spy for the government, but Mona wants no part of that, as gentlewomen do not read other's mail. Mona soon realizes that she has been thrust upon the world stage of countries vying for power. All Mona wants to do is run Moon Enterprises and marry Lord Farley, but events make that impossible. Mona must choose: Does she fulfill her duty to her country and forget Lord Farley, or forge ahead and place her country in jeopardy by selling copper to whoever wants it?

1934 is going to be a challenging year for Mona. *MURDER UNDER A NEW MOON*. Robert Farley is now a bonafide duke. Solicitors from the Duchy of Brynneleth have come to negotiate his marriage contract to Mona. When the solicitors demand that Mona relinquish Moon Enterprises and live in England full time, she threatens to return her engagement ring and call off the wedding. She says quite frankly, "I'm not going to give up one of the largest mining companies in the world to host dinner parties at Brynneleth for your snotty friends." Robert is furious with his solicitors for not being more diplomatic. Matters resolve themselves when the English solicitors are caught in the notorious bawdy house of Belle Brezing, most famous madam in the South. Oops! Things get worse when one of them turns up dead in the bed of a lady of the evening. Now Mona and Robert must find the culprit before their reputations are torn to shreds by their enemies. Events threaten to turn Mona's world upside down as she is confronted with seemingly impossible decisions: Should she marry Robert Farley or not?

MURDER UNDER A BRITISH MOON. Mona travels to England to meet Robert's family and see Brynneleth for the first time. Hoping to make a good impression, Mona finds that she is rebuffed at every turn by Robert's friends and even his servants. Mona wants

to return to the United States but her trip is delayed when one of Brynelleth's farmhands is murdered. She can't leave Robert in a lurch and begs her good friend Lady Alice Nithercott to help her find the culprit. Mona and Lady Alice poke the wrong person and now he is out for blood. Mona's blood. MURDER UNDER A BRIDAL MOON. Mona Moon plans her wedding to Duke Robert Farley when preparations go haywire after one of the maids is found murdered. Just days before the blessed event, unwanted guests invade Moon Manor, throwing a wrench into Mona's plans and making it difficult to seek the truth. Robert is a suspect in the maid's murder. A missing gold brooch and twenty-five dollar bills are the only clues Mona has to find the murderer. She must clear Robert from suspicion or he will call off the wedding. Can she discover the killer or will the murderer cause the breakup of Mona and Robert. MURDER UNDER A WESTERN MOON. Mona Moon and her new husband Robert Farley are about to board an ocean liner to England for their honeymoon when Mona receives an urgent telegram from her Montana copper mines. Since the mines are the financial backbone of Moon Enterprises, Mona has no choice but to drop her plans and rush to Montana. She and Robert enter a world of resentments and bitter accusations against Moon Enterprises. She travels incognito to search out the truth. She must prevent an innocent man from being hung for murder. Regardless of the threat, Mona must get to the bottom of it. Thank goodness Robert is by her side or could Robert have his own agenda. MURDER UNDER A HONEY MOON. Mona Moon and her new husband Robert Farley are on their honeymoon at last. They have just boarded the RMS Majesty ocean liner. The couple look forward to visiting Robert's ancestral English home, Brynelleth, and then it's off to Paris and then the Italian Riviera. After a romantic evening of dancing, Mona and Robert discover their suite has been ransacked and Mona's jewelry has been stolen. Mona is horrified as some of the jewelry belongs to the Brynelleth Estate and were cherished pieces of Robert's mother. The ship's crew searches the ocean liner and a gold brooch turns up in a bartender's cabin. The bartender has been murdered and the rest of the jewelry is still missing. *The Custom House Murder* Mike Hollow, 2020-12-10. First Published as *Enemy Action* September 1940. With London having endured the Blitz for nearly a month, people are calling for vengeance but once again the night heralds more destruction. In Custom House, anxious residents dutifully head to the nearest public air raid shelter as the warning siren wails. When dawn brings the all-clear, people disperse but one man remains; he is dead, stabbed through the heart. Detective Inspector John Jago discovers that the victim was a pacifist. But why then was he carrying a loaded revolver in his pocket. *Printers' Ink*, 1927.

The Theosophical Path Katherine Augusta Westcott Tingley, 1918. *American Naval History in 50 Ships* James M. Caiella, 2025-08-01. The course of American naval history has not been set only by the relatively few famous ships whose stories have been told and retold. This volume spotlights 50 less-recognized vessels, each significant in its own way, from the Continental Navy to the first supercarriers, while touching on many others with which their stories are interwoven. Attention is given not only to the design and conceptual changes the vessels embodied but also to the crews whose toil and heroism gave them life and sometimes notoriety. One captain tried to sell his warship in the midst of the Civil War. Each ship is detailed.
