**Bikini Story** Patrik Alac,2012-05-08 It was in 1946 that the world first came to hear of a coral atoll in the Marshall Islands called Bikini The following year French couturier Louis Réard borrowed the name and applied it to a bathing costume for women Breaking from decades of conformity Réard dared to undress women's bodies in order to better emphasize what remained clothed albeit in tiny wisps of material By taking up the bikini as popular beachwear women also found themselves thinking differently about their bodies An ideal of perfection was reinforced by the appearance on the cinema screen of stars such as Marilyn Monroe Brigitte Bardot and Ursula Andress all of whom were featured in bikinis that accentuated their own curvaceous contours More than a bathing costume the bikini made its own contribution during the 1970s to the sexual revolution and to the changing relationship between men and women in general This book investigates the history of the

bikini and its effect on the evolution in the perception of women in society as women regained responsibility for the way they look and laid claim once more to full sexual equality A collection of images throughout this book illustrates this progression step by step over a period of more than 50 years   **The Bikini** Patrik Alac,2002 It was in 1946 that the world first came to hear of a coral atoll in the Marshall Islands called Bikini The following year French couturier Louis Reart borrowed the name and applied it to a bathing costume for women Breaking with decades of boring conformity Reart dared to undress women's bodies in order to better emphasize what remained clothed albeit in tiny wisps of material By taking up the bikini as popular beachwear women also found themselves thinking differently about their bodies An ideal of perfection was many times reinforced by the appearance on the cinema screen of such stars as Marilyn Monroe Brigitte Bardot and Ursula Andress all of whom featured in bikinis that accentuated their own gloriously curvaceous contours More than a bathing costume the bikini made its own contribution during the 1970s to the sexual revolution to the changing relationship between men and women in general This book investigates the history of the bikini as a way of noting the change in the perception of women by society as women have regained responsibility for the way they look and laid claim once more to full sexual equality A wealth of pictures throughout the book illustrates this womanly progression step by step over more than 50 years

**Ethnic Dress in the United States** Annette Lynch,Mitchell D. Strauss,2014-10-30 The clothes we wear tell stories about us and are often imbued with cultural meanings specific to our ethnic heritage This concise A to Z encyclopedia explores 150 different and distinct items of ethnic dress their history and their cultural significance within the United States The clothing artifacts documented here have been or are now regularly worn by Americans as everyday clothing fashion ethnic or religious identifiers or style statements They embody the cultural history of the United States and its peoples from Native Americans white Anglo colonists and forcibly relocated black slaves to the influx of immigrants from around the world Entries consider how dress items may serve as symbolic linkages to home country and family or worn as visible forms of opposition to dominant cultural norms Taken together they offer insight into the ethnic based core ideologies myths and cultural codes that have played a role in the formation and continued story of the United States

**The Dark Side of Social Media** Angeline Close Scheinbaum,2017-09-14 The Dark Side of Social Media takes a consumer psychology perspective to online consumer behavior in the context of social media focusing on concerns for consumers organizations and brands Using the concepts of digital drama and digital over engagement established as well as emerging scholars in marketing advertising and communications present research on some unintended consequences of social media including body shaming online fraud cyberbullying online brand protests social media addiction privacy and revenge pornography It is a must read for scholars practitioners and students interested in consumer psychology consumer behavior social media advertising marketing sociology science and technology management public relations and communication

*Bikini-Ready Moms* Lynn O'Brien Hallstein,2015-07-16 Winner of the 2016 Outstanding Book Award presented by the Organization for the Study of

Communication Language and Gender OSCLG The requirements of good motherhood used to primarily involve the care of children but now contemporary mothers are also pressured to become bikini ready immediately postpartum Lynn O'Brien Hallstein analyzes celebrity mom profiles to determine the various ways that they encourage all mothers to engage in body work as the energizing solution to solve any work life balance struggles they might experience Bikini Ready Moms also considers the ways that maternal body work erases any evidence of mothers contributions both at home and in professional contexts O'Brien Hallstein theorizes possible ways to fuel a necessary mothers revolution while also pointing to initial strategies of resistance

**Department of the Interior and Related Agencies Appropriations for 1983** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1982

*Pop Goes the Decade* Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident

*Anterior Hip Replacement* Joel M. Matta, Alexander P. Sah, 2022-05-11 Anterior hip replacement is a surgical approach that has dramatically changed the landscape of modern hip replacement The approach is common to orthopedic trauma surgery but it has been rapidly adopted in recent years for hip replacement as well Its proposed benefits as a muscle sparing surgery include less tissue trauma faster recovery and fewer hip precautions While the technique can be challenging during initial learning and early adoption the approach continues to increase in utilization in the U S every year because of these benefits Understanding the initial development of the anterior surgical approach for hip replacement creates the foundation to better understand its modern clinical benefits and possibilities with advanced techniques Furthermore a detailed description of the reasoning behind the continued developments of the anterior approach helps in understanding the key elements needed to obtain the most successful outcomes With the continued adoption of this technically challenging technique there is a need for a comprehensive resource for newly adopting surgeons and surgeons in training but also for experienced surgeons looking to enhance their skill sets Written by experts in the field this book presents the tips and tricks learned after years of experience by a wide spectrum of surgeons Parts 1 and 2 describe the origin and background of the anterior approach for hip

replacement with early lessons learned important tips when training others and how to master the operating table and c arm Parts 3 and 4 cover hip biomechanics and variations on techniques and technologies respectively while part 5 is a unique compilation of surgeons perspectives on managing common aspects of the approach Revision surgery is described in part 6 and future directions for the technique are discussed in part 7 along with emerging navigation and technologies Every year there is an increasing number of orthopedic surgeons learning and adopting the anterior hip approach who would benefit from the resources in this book which will serve as a critical learning tool for training surgeons and also as the go to reference for optimizing current use and advancing future possibilities of the approach   **Crochet Your Very Own Lopez**
