

A lush tropical landscape featuring a large, multi-tiered waterfall cascading over dark, jagged rock formations. In the foreground, a body of water reflects the scene, with several pink flamingos wading and standing along the shoreline. To the left, a large, gnarled tree branch extends over the water, where a pair of vibrant red and blue macaws are perched. Another macaw is in flight, its wings spread wide, above the waterfall. The background is filled with dense green foliage and a clear blue sky with a few birds flying in the distance. The overall atmosphere is one of a pristine, idyllic paradise.
