Angels provide outlooks that can help resolve any human dilemma whether social political historical personal sexual or spiritual and their enlightened approaches are recorded in this insightful and uplifting spiritual guide True and inspiring personal stories prove that no problem is too difficult when angels are consulted and numerous exercises and meditations are included to make listening to and understanding angels easier These simple clear and compassionate answers are presented as a way of resolving trying issues and finding peace *The Birth of Jesus the Messiah* Edward C. Visser,2017-02-24 People love to hear the familiar Christmas stories during the season of Advent No matter how creative one might be with different approaches to Christmas preaching for most it just doesnt seem the same without angels and shepherds and magi without Mary and Joseph and even wicked king Herod and certainly without the child born in the manger This leaves the preacher with four chapters of the scriptures Matthew 12 and Luke 12 as the primary resources for the season Preaching from these chapters for three years much less thirty years is a challenge We are either left with preaching the same sermons sometimes under different titles or we need to think about Christmas preaching more creatively The Birth of Jesus the Messiah combines thematic commentary on the birth stories of Matthew and Luke with preaching and teaching ideas Biblical themes flowing through each birth narrative set forth by the Gospel writers themselves inspire fresh sermon series ideas for the Advent season Over thirty sermon series ideas include In the Shadow of Herod Advent at Risk Women in Jesus Genealogy Covenants for Christmas Lukes Symphony Angels in Advent Dont Be Afraid Engage with The Birth of Jesus the Messiah as a fresh starting point and annual resource for planning your Advent and Christmas preaching , **An Angel in Training** John Paul Carinci,2022-05-24 Craig Garnell is a successful thirty five year old CPA and father of two daughters who is shocked to his core when his wife of ten years serves him with divorce papers As his life suddenly turns from happy to a horrifying nightmare Craig seeks advice from his attorney only to be killed when he becomes lost in his thoughts as he leaves his office and walks straight into the path of a cab Met in the hereafter by his chubby English spirit guide Oliver Lloyd Stephenson who passed away in 1833 Craig learns he is still alive and is trapped in the afterlife while his comatose possibly paralyzed body lies in a hospital bed on Earth While pondering his existence Craig is gifted with the privilege to travel back in time and study great men speak with God and even request miracles As he embarks on an introspective journey to hopefully find the answers to all his questions Craig makes a shocking discovery that changes everything An Angel in Training is the tale of a young man s journey to the truth after he becomes trapped in the afterlife and accepts an invitation by his spirit guide to study great thinkers and speak to God himself *Matthew's Presentation of the Son of David* H. Daniel Zacharias,2016-12-01 H Daniel Zacharias presents a literary critical analysis of the Gospel of Matthew and its interaction with Davidic tradition and use of Davidic typology Throughout the narrative the evangelist makes pervasive use of Davidic

tradition from the Old Testament in his portrayal of Jesus This begins from the first verse and the declaration that Jesus is the Son of David and culminates in Jesus usage of Psalm 22 s Davidic lament on the cross Davidic material is present throughout Matthew in allusion in specific citations in thematic material In addition Matthew makes use of Davidic typology numerous times with David as type and Jesus as anti type Zacharias shows how the use of Davidic material presents to the reader a scripturally grounded redefinition of what it means for Jesus to be the Son of David not as a violent militant leader as some expected but as a physical descendant of David a healing shepherd and a humble king Within the Gospel Matthew utilizes Davidic typology to show how the Son of David even has similar experiences as his royal predecessor Even David s own words from the psalms are utilized as testimony to the legitimacy of Jesus as the Davidic Messiah *New Testament Commentary* ,
