MANSFIELDS NO KIDS NO MONEY AND A CHEVY A Politically Incorrect Memoir A New Book by a Former Marine and Vietnam War Veteran Of Chuck Mansfields No Kids No Money and a Chevy award winning novelist and essayist Cynthia Ozick writes Chuck Mansfield is a first rate writer of wit charm and passion who applies a clarifying integrity to whatever subject his fine mind alights on Having been schooled in excellence he holds it as his lifelong standard and he is besides an embodiment of everything that is meant by the term American Hero courtly brave generous and in love with family faith and country To read his memoir is to rejoice in the warm presence of human devotion and intellect New York literary agency executive Jack Scovil calls No Kids No Money and a Chevy a fascinating read He writes Mansfield comes through clearly as a very remarkable man who commits to life and the task before him with passion and dedication and integrity Chaminade High School's reaction to the WTC tragedy indeed the ethos of the whole Chaminade experience was especially moving and individual tributes to some of Mansfield's fellow Marines quite affecting and inspiring Some of his viewpoints and assessments couldn't be more timely his critique of business practices fits right in with what we're learning about the frauds at Enron and Global Crossing and his judgments of some societal trends are also in keeping with the climate of public opinion that has produced the current successes of O'Reilly and Buchanan His litany of facts about the Vietnam War deserves to be widely circulated Retired English professor and writer Robert P Meikle writes that everything in this book is the unfiltered Mansfield the impeccable use of language the meticulous attention to detail the total recall of dates Some are more successful than others when it comes to taking a really honest look at themselves The trick is to translate that self awareness onto the written page It is that translation that Mansfield does so successfully This is a guy who not only has had a good life but who APPRECIATES all that he has had in it especially when it comes to family and friends That's an important distinction for that unknown reader to pick up on New York attorney Paul G Burns has written Mansfield's work shares a problem common to each and every book that I totally and thoroughly enjoyed reading it had a last page an outstanding read Rear Admiral Paul T Gillcrist USN Ret former Assistant Deputy Chief of Naval Operations Air Warfare aircraft carrier fighter pilot and author says I was enormously impressed The Vietnam Era section in Mansfield's book fully a third of the work represents the kind of personal history that needs to be told about all wars but about Vietnam particularly According to P Henry Mueller retired Citigroup executive author and Marine veteran of World War II A page turner No Kids No Money and a Chevy is hard to put down The Vietnam portion is in the excellent style of Michener's Tales of the South Pacific The character descriptions throughout the book are well done The book is packed with interest and the politically incorrect views add an important and refreshing edge Not only that Mansfield presents his views in an instructive way CEO and business owner Donald J Steinert says I was most impressed with the way I am able to relate to your book as a former Marine Vietnam veteran Please visit www.chuckmansfield.com or contact Chuck Mansfield at 516 741 1443 or chuckmans@aol.com Thank you A SUMMARY OF CHUCK MANSFIELD'S NO KIDS NO MONEY AND A CHEVY A Politically Incorrect Memoir A New Book by a Former Marine

and Vietnam War Veterans **Irregular Armed Forces and their Role in Politics and State Formation** Diane E. Davis, Anthony W. Pereira, 2003-01-13 Existing models of state formation are derived primarily from early Western European experience and are misleading when applied to nation states struggling to consolidate their dominion in the present period In this volume scholars suggest that the Western European model of armies waging war on behalf of sovereign states does not hold universally The importance of irregular armed forces militias guerrillas paramilitaries mercenaries bandits vigilantes police and so on has been seriously neglected in the literature on this subject The case studies in this book suggest among other things that the creation of the nation state as a secure political entity rests as much on irregular as regular armed forces For most of the developing world the state's legitimacy has been difficult to achieve constantly eroding or challenged by irregular armed forces within a country's borders No account of modern state formation can be considered complete without attending to irregular forces The Asian Influence on Hollywood Action Films Barna William Donovan, 2014-09-17 Filmmakers of the Pacific Rim have been delivering punches and flying kicks to the Hollywood movie industry for years This book explores the ways in which the storytelling and cinematic techniques of Asian popular culture have migrated from grainy low budget martial arts movies to box office blockbusters such as The Magnificent Seven Star Wars The Matrix and Transformers While special effects gained prominence the raw and gritty power of live combat emerged as an audience favorite spawning Asian stars Bruce Lee and Jackie Chan and martial arts trained stars Chuck Norris and Steven Seagal As well as capturing the sheer onscreen adrenaline rush that characterizes the films discussed this work explores the impact of violent cinematic entertainment and why it is often misunderstood Instructors considering this book for use in a course may request an examination copy here **Jordan Land** Will Armstrong, 2009-07-16 The Jordans are en route from Arizona to Texas to take over the Flying W ranch inherited by Mary Lou Ma Jordan John is checking out the trail Hardy is already at the Flying W and is struggling to bring order out of chaos The family complete with wagons trail herd and remuda battle with Indians and rustlers and struggle to ford flooded rivers before finally reaching the ranch Meanwhile Hardy falls for Ann the daughter of a neighbouring rancher The romance is encouraged by Ann's father Jack Donovan Clay Wallace tells Ma of his feelings for Sara Jane Ellie May has a brush with Apaches and earns a reputation as an Indian fighter She precipitates an Apache attack on the ranch only beaten off by the cavalry timely arrival The sheriff of Dorando approaches Lance with a view to being his replacement Lance agrees Back in Texas the Anderson brothers old adversaries of Mary Lou stage a jail break escaping to Mexico Heading west they are recruited by Domingo Sanchez the local Comanchero leader to strike back at the Jordans The story concludes with Ma realising that her plans brought triumph and tragedy in equal measure and wondering if it has all been worthwhile *Portrait and Biographical Album of Oakland County, Michigan*, 1891 **The Lanahan Readings in Government, Ethics and the Military** Thomas Richard Bendel, 2005-08 *Education Directory* United States.
