Dudden,2014-03-27 The advocates of

woman suffrage and black suffrage came to a bitter falling out in the midst of Reconstruction when Elizabeth Cady Stanton opposed the 15th Amendment for granting black men the right to vote but not women How did these two causes so long allied come to this In a lively narrative of insider politics betrayal deception and personal conflict *Fighting Chance* offers fresh answers to this question and reveals that racism was not the only cause but that the outcome also depended heavily on money and political maneuver
