The red-hot dollar, and other stories from the Black Cat Herman Daniel Umbstaetter, Jack London, 2025-01-22 It lacked three minutes of five by the big clock in the tower when the east bound Chicago express rumbled into the station at Buffalo The train had not yet come to a standstill when a hatless man jumped from the platform of the rear sleeping car and ran across the tracks into the depot restaurant A few minutes later he reappeared carrying a cup of coffee in one hand and a small paper bag in the other With these he hurriedly made his way back to the car through a straggling procession of drowsy tourists who were taking advantage of the train's five minutes stop to breathe the crisp morning air The last of these had already resumed his seat when the man without a hat again appeared at the lunch counter returned the borrowed dishes and ordered coffee for himself He had just picked up the cup and was raising it to his lips when the conductor's All aboard rang through the station

Bregazzi, 2011-06-21 THE DRAGONS DEN and OTHER STORIES is a small collection of quite diversified tales The verity and subject matter come from a quality of experience some from real life with authentic backgrounds and others generated in the mind of the myth There are several adventure stories and yet others were pushed by an unseen influence of transformations and miracles with a

moral behind them Here is something for everybody in twelve very different stories a touch of romance and many with a twist in the tail also a scattering of poems thrown in for good measure
