The Black Angel:

The Black Angel John Connolly, 2015-08-25 Assisting a friend in a search for a kidnapped woman detective Charlie Parker links the abduction to a church of bones in Eastern Europe a 1944 slaughter at a French monastery and the myth of an object known as the Black Angel **The Black Angel** Timothy Parrott, 2013-08-08 In the fall of 1913 a statue of a crestfallen angel was erected in Iowa City's Oakland Cemetery During the intervening century this macabre memorial to the Feldwert family has spawned a number of sinister legends primarily due to its atypical posture and coloration But did these spine chilling tales arise solely from the downcast aspect and blackness of the angel Definitely not Theresa Dolezal Feldwert was an enigmatic as the statue she commissioned An elderly widow as well as a wheelchair bound amputee almost certainly suffering from clinical depression Feldwert inadvertently contributed to the legends herself Her lifelong career as a midwife formed the basis of her public persona and the historical association between midwifery and witchcraft would not have been lost on the Iowa City community This professional stigma coupled with Feldwert's often eccentric behavior provided a feast of fodder for local storytellers This true account of the mysterious Feldwert memorial and the even more mystifying woman behind it sheds much needed light on the legends of the Black Angel legends which continue to be told to the present day

The Black Angel John Connolly, 2005-04-25 The Black Angel is not an object The Black Angel is not a myth The Black Angel lives A young woman goes missing from the streets of New York Those who have taken her believe that nobody cares about her and that no one will come looking for her They are wrong She is blood to the killer Louis the man who stands at the right hand of private detective Charlie Parker and Louis will tear apart anyone who stands in the way of his attempts to find her But as Louis's violent search progresses Parker comes to realize that the disappearance is part of an older mystery one that is linked to an ornate church of bones in Eastern Europe to the slaughter at a French monastery in 1944 and to the quest for a mythical prize that has been sought for centuries by evil men the Black Angel Yet the Black Angel is more than a myth It is conscious It dreams It is alive And men are not the only creatures that seek it *Black Angel* Stone Erickson, 2013-03 Solomon Night is an average high school kid with a life shrouded in mystery With his abusive step father at home and bullies at school his life is far from easy All this changes in one night when Solomon is hit by a car on the streets of New York on his way home In death Solomon is finally able to find peace His eternal rest is cut short by a mysterious apparition offering him the power to protect those he loves and even more a second chance at life The deal sounds too sweet to pass up and Solomon signs the contract that binds him to this mysterious being in more ways than he knows He becomes the Black Angel and gains an assortment of new amazing abilities Solomon soon discovers the price of his mistake and finds out the hard way that power is the ultimate sorrow and that every bargain has its price Now it's a race to save the ones he loves or will his dance with the devil be the death of them all **The Black Angel: a Tale of the American Civil War. By the Author**

Of "Hunted to Death," etc. I.e. William Stephens Hayward William Stephens Hayward, 1871 *The Black Angel*, 1997

The Black Angel John Connolly,2005-06-01 To those who have been forsaken hell has no geography *The Black Angel* begins with the disappearance of a young prostitute from one of New York City's seamiest neighborhoods Like so many tormented souls before her the girl's mother is inevitably drawn to Charlie Parker's doorstep desperate for redemption and revenge Despite the danger that his chosen profession imposes on his wife and newborn daughter Parker knows that the woman and her troubles cannot be ignored As always he is driven as much by the evil that simmers in the hidden honeycomb world as he is by the ties of friendship and blood As Parker gets closer to the girl's captors he discovers that her disappearance is linked to a church of bones in Eastern Europe to the slaughter at a French monastery in 1944 and to the myth of an object known as the Black Angel an object considered by evil men to be beyond priceless But the Black Angel is not a legend It is real It lives It dreams And the mystery of its existence may contain the secret of Parker's own origins
