**Building Health Coalitions in the Black Community** Ronald L. Braithwaite, Sandra E. Taylor, John N. Austin, 1999-11-30 The book is especially useful for researchers policymakers public health practitioners and community leaders who have limited experience in both health coalition building and working with the African American community in particular CONTEMPORARY SOCIOLOGY An important book for African Americans nationwide I believe it will make a real impact on the way we view comprehensive health care for communities of color in this country Kweisi Mfume President and CEO NAACP In Building Health Coalitions in the Black Community Professor Ronald Braithwaite and his colleagues examine the phenomenon of coalition building with respect to diverse problems and situations they have encountered in their research The result is a significant contribution to knowledge of the method of coalition development and its application in African American Communities The book begins with a historical review of health care and collaboration involving the African American population generally The second chapter reveals federal and research

foundation support for coalition building Following this are discussions addressing a wide range of issues relating to coalitions in the African American Community The theoretical basis of coalition building and coalitions in urban communities The role of formative process and summative evaluation in coalitions generally with examples of coalitions combating drug use The benefits that proceed from collaborations between African American religious institutions and public health officials and the role selection and training of lay health advisors Ways coalitions in the African American community have responded to environmental issues such as hazardous waste facility siting Students in a variety of health science and related disciplines public health nursing medicine and allied health social work psychology sociology health education will find this an excellent general introduction to health promotion in African American communities **The Noose on the Black Community**

Christopher Sullivan,2012-03-02 The Noose on The Black Community sheds light on the continuation of murder robbery and manipulation that is ongoing in the black community When we look at the crime that destroys a community the only ones to blame are the men that heads the community The noose was symbolic of hatred and fear which was imposed upon the black race during earlier years But now the only ones that are imposing fear and are destroying scores of black families are the black males themselves *Building Health Coalitions in the Black Community*, *Key Issues Confronting the Black Community in Denver, CO* David W. Jackson III,2022-01-12 This volume highlights five critical key issues relevant to Colorado s Black and Brown communities As a result of the recent activity around policing and equity marijuana education and biases prisoner reintegration and activism it offers solutions to managing those problems The book is a resource that must be read by K 12 educators social workers probation officers grass roots leaders adult educators and university professors in the area of sociology education Black studies and the non traditional disciplines Additionally the volume contains essential tools for training professionals and teaching our youth by offering insights to problem solve in urban areas It provides pertinent information vital to the development and success of our youth struggling in K 12 higher education and the criminal justice system Although Colorado s Black communities are the focus of the volume it will also serve as a model for urban communities in different states **Womanism, Literature, and the Transformation of the Black**

**Community, 1965-1980** Kalenda C. Eaton,2010-06-21 This book examines how cultural and ideological reactions to activism in the post Civil Rights Black community were depicted in fiction written by Black women writers 1965 1980 By recognizing and often challenging prevailing cultural paradigms within the post Civil Rights era writers such as Toni Morrison Alice Walker Toni Cade Bambara and Paule Marshall fictionalized the black community in critical ways that called for further examination of progressive activism after the much publicized end of the Civil Rights Movement Through their writings the authors confronted marked shifts within African American literature politics and culture that proved detrimental to the collective wellness of the community at large **Salt City and its Black Community** S. David Stamps,Miriam Burney Stamps,2008-03-10 A robust black professional class has existed in many southern cities since the nineteenth century

and in large northern cities such as Chicago New York and Washington D C since early in the twentieth century In contrast the black professional class in Syracuse New York a mid-sized northern industrial city developed relatively late and struggled in its early relationship with the white community Employing a conflict theory approach the authors analyze the effects of black migration north affirmative action school integration urban renewal deindustrialization political mobilization and suburbanization on the growth and development of the black community The authors demonstrate how competition for limited resources has fostered varying degrees of confrontation social dispute adjustment and eventual change in black white relations Drawing upon urban surveys and quantitative research combined with personal testimony this book offers a richly detailed and compelling portrait of a minority community providing indispensable insights into the dynamics of community development as a historical and sociological process
