The Black Dream:

The Black Dream Col Buchanan, 2015-03-12 As the empire of Mann threatens the world with enslavement only a single island nation continues to stand in its way the Free Ports of the democras For ten years they have held their own but now the empire draws its noose even tighter over them Rallying to its defence are those from the secretive network known as the Few including the cripple and troubleshooter Coya Zezik Coya has hopes of enlisting the forest contrar in the aid of the besieged city of Bar Khos With him is Shard the only Dreamer of the Free Ports a woman capable of manipulating waking reality or the strange dimensions of the Black Dream The Roshun order of assassins have also engaged in the war at last But Ash their ailing farlander has more urgent business to overcome Facing him is a skyship voyage into the Great Hush then further journeying to the fabled Isles of Sky where he hopes bring his dead apprentice Nico back to life Yet his voyage into the unknown may save more than just Nico it may save the Free Ports themselves *The Dream of the Black Topaze Chamber*

Hugh Fox, 2011-11 *The Dream of the Black Topaze Chamber* shows Hugh Fox at his most sublime With moments of bard like inspiration he is able to explore the subtle underpinnings of relationships the minute unspoken thought flashes between friends and the mute electricity of shared moments as he unfolds the story of Magda Nona and Bernadette three women opting out of the conventions of life and love to create their own sensual world on the fringes of the Brazilian jungle a life which suspends desire imagination and passion through a silky black dreamland of heightened reality Fox moves from the intimate to the universal seamlessly where inert trivialities can explode into a political treatise or a sublime poetic reflection within a single breath *The Black Topaze Chamber* becomes the hub of isolated souls finding some last spiritual union through the open eroticism of their bodies What results is a lyrical novel of ecstatic sexual and sensual metamorphosis rendered through a poetic alchemy of Brazilian gemstones

Octogenarian author Alfred Colo celebrated his eighty sixth birthday in December of 2012 with the completion of this his eleventh self published work with Xlibris Publishing Co. expected to become available in early 2013. His early origins as a singer song writer have come full circle from modest creative love lyrics to full blown mature poetry writings with a passion for words extending well beyond the mere expressions of love. With an ever growing appetite Colo knew that the time to go public was now or never and worthy enough to share before the flame of his torch was extinguished. Alfred took up permanent residence in the growing smallish town of New Fairfield CT after a set of compelling circumstances led him to exit the Big Apple where he spent the greater part of his formative years to taking on a new role as companion caregiver to a long standing friend victim of a stroke. The author currently pursues active completion of his prolific outpourings on a wide range of subjects outlined in other books by the author found on the rear cover of this book. While still going like sixty at a white heat rate he may put other writers half his age to shame. His yet unpublished collections grown over years of maturation and perfecting are only now expected to be laced in book form wrapped in ribbons and garnished with final trappings of publications bows. Colos quest to finalize as much of his lifes legacy as possible has he states kept him alive longer than any expectation he allowed himself even to conjure. Late fame alas may arrive postumously though most assuredly without the fortunes of success in this world. You cant take with you what cant be spent beyond the grave. Far greater however are the riches other than notoriety and fame he expects will endure through generations of time to come. *When A Black Man Cries* P. Jonathan Porterfield, 2011-03-04. This short book takes a look at the condition which faces the African American male of this twenty first century and his woman. It will allow him to see themselves in the light of God's Word and the perception of all men. *Cycle World Magazine*, 2006-01. *The Black Musketeer* Eric Martone, 2011-05-25. Alexandre Dumas author of *The Three Musketeers*, *The Count of Monte Cristo* and *The Man in the Iron Mask* is the most famous French writer of the nineteenth century. In 2002 his remains were transferred to the Panth on a mausoleum reserved for the greatest French citizens amidst much national hype during his bicentennial. Contemporary France struggling with the legacies of colonialism and growing diversity has transformed Dumas grandson of a slave from St Domingue now Haiti into a symbol of the colonies and the larger francophone world in an attempt to integrate its immigrants and migrants from its former Caribbean African and Asian colonies to improve race relations and to promote French globality. Such a reconception of Dumas has made him a major figure in debates on French identity and colonial history. Ten years after Dumas's interment in the Panth on the time is ripe to re evaluate Dumas within this context of being a representative of la Francophonie. The French re evaluation of Dumas therefore invites a reassessment of his life works legacy and previous scholarship. This interdisciplinary collection is the first major work to take up this task. It is unique for being the first scholarly work to bring Dumas into the center of debates about

French identity and France's relations with its former colonies For the purposes of this collection to analyze Dumas in a francophone context means to explore Dumas as a symbol of a French culture shaped by and inclusive of its former colonies and current overseas departments The seven entries in this collection which focus on providing new ways of interpreting *The Three Musketeers* *The Man in the Iron Mask* *The Count of Monte Cristo* and *Georges* are categorized into two broad groups The first group focuses on Dumas's relationship with the francophone colonial world during his lifetime which was characterized by the slave trade and provides a postcolonial re-examination of his work which was impacted profoundly by his status as an individual of black colonial descent in metropolitan France The second part of this collection which is centered broadly around Dumas's francophone legacy examines the way he has been remembered in the larger French speaking postcolonial world which includes metropolitan France in the past century to explore questions about French identity in an emerging global age
