The Black Joke:

The Black Joke Farley Mowat, 2009-01-13 The Black Joke is a rousing sea story in the tradition of the great classic pirate tales The time is the 1930s The loot is bootleg liquor not pirate gold And the ship is the Black Joke the speediest nimblest craft on the Newfoundland coast Jonathon Spence owner and master An unwelcome passenger enmeshes the boat and her crew young Peter and Kye in danger and near destruction until the fiercely independent people of the island of Miquelon are caught up in the fate of the Black Joke and the cargo aboard her

The Black Joke A.E. Rooks, 2022-01-18 Chronicles the history of the Black Joke a ship in the British Royal Navy's anti slavery squadron and its quest to liberate as many enslaved people as possible

The Black Joke A.E. Rooks, 2022-01-18 A groundbreaking history of the Black Joke the most famous member of the British Royal Navy's anti slavery squadron and the long fight to end the transatlantic slave trade The most feared ship in Britain's West Africa Squadron His Majesty's brig Black Joke was one of a handful of ships tasked with patrolling the western coast of Africa in an effort to end hundreds of years of global slave trading Sailing after the spectacular fall of Napoleon in France yet before the rise of Queen Victoria's England Black Joke was first a slaving vessel itself and one with a lightning fast reputation only a lucky capture in 1827 allowed it to be repurposed by the Royal Navy to catch its former compatriots Over the next five years the ship's diverse crew and dedicated commanders would capture more ships and liberate more enslaved people than any other in the Squadron Now author A E Rooks chronicles the adventures on this ship and its crew in a brilliant lively narrative of the history of Britain's suppression efforts As Britain slowly attempted to snuff out the transatlantic slave trade by way of treaty and negotiation enforcing these policies fell to the Black Joke and those that sailed with it as they battled slavers weather disasters and interpersonal drama among captains and crew that reverberated across oceans In this history of the daring feats of a single ship the abolition of the international slave trade is revealed as an inexplicably extended exercise involving tense negotiations between many national powers both colonizers and formerly colonized that would stretch on for decades longer than it should have Harrowing and heartbreaking The Black Joke is a crucial and deeply compelling work of history both as a reckoning with slavery and abolition and as a lesson about the power of political will or the lack thereof

The Black Joke Vincente Chao Oliva, 2021-03-04 In 1807 the British government passed the Abolition of the Slave Trade Act which outlawed the slave trade Soon after the West African Squadron was established The creation of this squadron marked the beginning of a noble and heroic chapter in history which has been all but forgotten by everyone For over fifty years the role of the ships that comprised the squadron was to disrupt the slave trade by intercepting slave ships headed to the Americas stopping them from delivering their cargo and returning the freed slaves to Africa Of all the ships in the squadron there was one that excelled in her mission The Black Joke The Black Joke relentlessly sailed into the teeth of overwhelming odds commandeered more ships and rescued more slaves than nearly all other ships combined in the five year span that she patrolled the waters off West Africa This is her story

Mowat,1996 **A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature** Gordon Williams,2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden **The Black Joke** A.
