Oneness Pentecostalism Lloyd D. Barba, Andrea Shan Johnson, Daniel Ramírez, 2023-03-13 This volume traces the history of Oneness Pentecostalism in North America It maps the major ideas arguments periodization and historical figures corrects long standing misinterpretations and draws attention to how race and gender impacted the growth and trajectories of this movement Oneness Pentecostalism emerged in the aftermath of the Azusa Street Revival 1906 baptizing its members in the name of Jesus Christ rather than the Father Son and Holy Spirit and splintering from trinitarian Pentecostals With its rapid growth throughout the twentieth century especially among ethnic minorities Oneness Pentecostalism assumed a diversity of theological ethnic and cultural expressions This book reckons with the multiculturalism of the movement over the course of the twentieth century While common interpretations tend to emphasize the restorationist impulse of Oneness Pentecostalism leading to notions of a static unchanging movement the contributors to this work demonstrate that the movement is much more fluid and that the interpretation of its history and theology should be grounded in the variegated North American contexts in which Oneness Pentecostalism has taken root and dynamically developed Groundbreaking and interdisciplinary this volume presents diverse perspectives on a significant religious movement whose modern origins are embedded within the larger Pentecostal story It will be welcomed by religious studies scholars and by practitioners of Oneness Pentecostalism In addition to the editors the contributors to this volume are Daniel Chiquete Dara Coleby Delgado Patricia Fortuny Loret de Mola Manuel Gaxiola David A Reed Rosa Sailes and Daniel Segraves
