The Blackheath Poisonings:

The Blackheath poisonings Julian Symons, 1974 *The Blackheath Poisonings* Julian Symons, 1978 Wealth can have its drawbacks Case in point The Collard and Vandervent families who for decades have shared a large estate in the elegant London suburb of Blackheath It's now the 1890s and over the years the families near incestuous entanglement has grown into a toxic web of lies and bitterness While mama keeps an iron grasp on the purse strings an unmarried daughter sucks greedily on her own disappointment a son raises corruption to an art form and an ethereal daughter in law casts come hither glances at anything in pants She casts them frequently at young Paul Vandervent who responds by filling his journal with fevered love poems And when one member after another of the extended clan falls victim to gastric misadventure and his beloved falls under suspicion Paul embarks on an equally feverish quest to clear her name resolving to solve the extraordinary series of crimes popularly called The Blackheath Poisonings **Mystery Fanfare** Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **Foul Deeds & Suspicious Deaths in Lewisham & Deptford** Jonathan Oates, 2007-07-19 The twin fascinations of death and villainy will always hold us in their grim but thrilling grip In *Foul Deeds and Suspicious Deaths in Lewisham and Deptford* the chill is brought close to home as each chapter investigates the darker side of humanity in cases of murder deceit and pure malice committed over the centuries in this area of London From crimes of passion to opportunistic killings and coldly premeditated acts of murder the full spectrum of criminality is recounted bringing to life the more sinister history of Lewisham and Deptford from the sixteenth century onwards For this journey into the bloody neglected past Jonathan Oates has selected over 20 notorious episodes that give a fascinating insight into criminal acts and the criminal mind The story of one of the most famous unsolved murders in history of the great playwright Christopher Marlowe in Deptford in 1593 is followed by a catalogue of heinous crimes of every description political conspiracies gang killings murders of policemen suicide pacts multiple poisonings a husband who killed his wife and four children the suicide of a crooked councillor a motiveless murder and two unsolved murders that are as intriguing today as they were 80 years ago The human dramas Jonathan Oates describes are often played out in the most commonplace of circumstances but others are so odd as to be stranger than fiction His grisly chronicle of the hidden history of Lewisham and Deptford will be compelling reading for anyone who is interested in the dark side of human nature *All the Tiny Moments Blazing* Ged Pope, 2022-10-24 From Evelyn Waugh to P G Wodehouse and Lawrence Durrell a sweeping celebration of literature set in and inspired by the suburbs of London The London suburbs have for more than two hundred and fifty years fired the creative literary imagination whether this is Samuel Johnson hiding away in bucolic preindustrial Streatham Italo Svevo cheering on

Charlton Athletic Football Club down at The Valley or Angela Carter hymning the joyful wrongness of living south of the river in Brixton From Richmond to Rainham Cockfosters to Croydon this sweeping literary tour of the thirty two London Boroughs describes how writers from the seventeenth century on have responded to and fictionally reimagined London s suburbs It introduces us to the great suburban novels such as Hanif Kureishi s Bromley set The Buddha of Suburbia Lawrence Durrell s The Black Book and Zadie Smith s NW It also reveals the lesser known short stories diaries poems local guides travelogues memoirs and biographies which together show how these communities have long been closely observed keenly remembered and brilliantly imagined

Uncommon Cultures Jim Collins,2013-01-11 Jim Collins argues that postmodernism and popular culture have together undermined the master system of culture By looking at a wide range of texts and forms he investigates what happens to the notion of culture once different discourses begin to envision that culture in conflicting ways constructing often contradictory visions of it simultaneously

City and Shore Gillian Mary Hanson,2004-06-02 Certain settings have long been a common element in British mystery and detective fiction the quaint village the country manor the seaside resort the streets of London More than simply providing background physical setting in particular the city of London and the British seashore takes on an added dimension in a sense becoming a player in the mysteries one that symbolizes intensifies and illuminates aspects of the British mystery novel The first section examines 18 British mystery novels set in the city of London the second covers 15 novels set by the sea The novels span the twentieth century among the authors whose works are included are Agatha Christie Graham Greene G K Chesterton and P D James The book includes a short biography and listing of primary works for the authors covered and appendices offer suggested fiction utilizing the two settings and critical nonfiction covering the genre

Obituaries in the Performing Arts, 2017 Harris M. Lentz III,2018-05-14 The entertainment world lost many notable talents in 2017 including iconic character actor Harry Dean Stanton comedians Jerry Lewis and Dick Gregory country singer Glen Campbell playwright Sam Shepard and actor singer Jim Nabors Obituaries of actors filmmakers musicians producers dancers composers writers animals and others associated with the performing arts who died in 2017 are included Date place and cause of death are provided for each along with a career recap and a photograph Filmographies are given for film and television performers

The Poisons Quiz Book John Harris Trestrail,2001 This book will help you to learn some medicine Originally designed as a study aid to improve performance on the Inservice and Written Board exams this book is full of useful information Primarily intended as a study aid the text is written in rapid fire question answer format This way readers receive immediate gratification Moreover misleading or confusing foils are not provided Additional hooks may be attached to the answer in various forms including mnemonics visual imagery repetition and humour Additional information not requested in the question may be included in the answer Emphasis has been placed on distilling trivia and key facts that are easily overlooked that are quickly forgotten and that somehow seem to be needed on board examinations
